Some Mistakes Of Moses - Atheism
Some Mistakes of Moses, was written by American writer, orator, and proponent of Freethought and agnosticism Robert Green Ingersoll, and originally published in 1897. The work is a popular lecture which asks questions of the veracity of the Pentateuch, and questions the mysteries of the scripture from Creation through to the Egyptian Captivity.
Some Mistakes of Moses - Positive Atheism
As outspoken in his day as Richard Dawkins or Christopher Hitchens are today, American freethinker and author ROBERT GREEN INGERSOLL (1833-1899) was a notorious radical whose uncompromising views on religion and slavery (they were bad, in his opinion), women's suffrage (a good idea, he believed), and other contentious matters of his era made him a wildly popular orator and critic of 19th ...

Robert G. Ingersoll was an extremely popular humanist orator in the late nineteenth century, and he wrote Mistakes of Moses after many bootlegged versions of his speeches had been published and circulated. In Mistakes of Moses, through a close, literal reading of the Pentateuch, he challenges biblical stories using science, logic and morality.
