Longfellow's 'The Rainy Day' This 1842 poem has the famous line "Into each life some rain must fall," meaning that everyone will experience difficulty and heartache at some point. The "day" is a

Some, like "Some Rain Must Fall" or "Somewhere Warm and Comfortable" are fairly simple and straightforward, but compelling and deeply disturbing in their way. Others are mindbending in concept, like "Toy Story" (a young boy who discovers a new planet that he plays with and observes in his room) and "Nina's Hand" (told entirely from the perspective of a woman's right hand on its last day).

Some Rain Must Fall: And
Other Stories is a collection by
Michel Faber, all stories
published in 2000. I'm a great
fan of The Crimson Petal and
the White and The Book of

Strange New Things and after
Faber transported me to
strange new worlds with each
new novel, I was curious where
he'd take me with fifteen short
stories, particularly which
genre they'd fall under.
