[Installing a Sonos Playbar](#)

When you set up your Sonos system for the first time or add a new product to your existing system, you'll need the Sonos app on your phone or tablet. The app will guide you through setting up your Sonos products one by one, adding your music and voice services, and getting all of your products updated. Below, you'll find download links for the Sonos app as well as links to setup ...

[Troubleshooting | Sonos Community](#)

Before you plug your speaker in, you'll need to download the app to your smartphone or tablet so you're ready to start the setup. In our setup, we're using an Android phone and a Sonos One speaker, so some screens might look slightly different if you're using an iPhone and a different Sonos speaker, but the steps should be the same.

[Set up your Sonos system | Sonos](#)

Ditt Sonos-system kan konfigureras med antingen en trådlös eller trådbunden installation. Den här artikeln beskriver skillnaden mellan de två installationstyperna, såväl som scenarier där en trådbunden installation kan ge bättre prestanda.
