Below, you ' ll find download links for the Sonos app as well as links

to setup ...

Valet mellan trådlös och trådbunden Sonos-installation | Sonos

The user guide above gives you a complete view of everything related to your Sonos Connect. It will teach you how to set it up, how to maintain it, and how to add a complex array of speakers. Because you can use the Connect to turn non-Sonos speakers into one controlled by the Sonos Controller App, setup is a little more complicated than a standard speaker setup.

*Support Information by Product
| Sonos*

Sonos is the wireless home sound system that fills as many rooms as you want with great-sounding music, movies, and TV.

Our speakers are as easy to set up as they are powerful, so you can play whatever you're craving and savor every moment with the most brilliant, pulse-pounding sound money can buy.

Acoustic port / handle The acoustic port doubles as a handle so you can easily lift and carry the PLAY:5 from room to room.

Please do not block or obstruct this port when the PLAY:5 is playing music. Page 7: Adding To An Existing Sonos System

Set up your Sonos system | Sonos

Before you plug your speaker in, you'll need to download the app to your smartphone or tablet so you're ready to start the setup. In our setup, we're using an Android phone and a Sonos One speaker, so some screens might look slightly different if you're using an iPhone and a different Sonos speaker, but the steps should be the same.
