For everyone who didn't win the venture capital lottery, for everyone who wasn't born with a trust fund, for everyone who doesn't have rich relatives... This is the story of how real start-ups work. This is how to turn a dream into a multi-million dollar business-without selling out, without spending a mint on marketing, and without losing your sense of humor. Meet Schiit Audio, a company born in a garage that went on to change the face of high-end personal audio-challenging the idea that everything must be made in China, rejecting old ideas about advertising and social awareness, and forging our own unforgettable brand. This is our (improbable) story. Here's to your own stories-and your success!

Wireless All In One For Dummies Hal Leonard Corporation

(Berklee Methods). This essential method features rigorous, hands-on, "ears-on" practice exercises that help you explore the inner working of music, presenting notes, scales, and rhythms as they are heard in pop, jazz, and blues. You will learn and build upon the basic concepts of music theory with written exercises, listening examples, and ear training exercises. The included audio will help reinforce lessons as you begin to build a solid musical foundation. Even includes an answer key!
