The Widow Makes Three

Despite eighty eight straight convictions district attorney Sharron Miller's career has stalled. Following a sensational murder in an adjacent county and a questionable ruling assigning her the case the native Georgian is once again newsworthy. While the evidence all but guarantees a guilty

verdict, the forty-one year old has distractions. Foremost is her younger male assistant Robert Tims. Not only does she consider him to be a legal genius, she is totally smitten by him. With less than a week to go in the trial the fiery redhead has doubts about the defendant's guilt. Unsettled, she goes into seclusion to try and determine what really happened that murderous October morning. The storyline she uncovers is beyond anyone's wildest imagination.
