One Hot Holiday "O'Reilly Media, Inc." Spanning more than two centuries in Ireland, *Castle on the Rise* unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle

ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. In the tradition of Trisha Ashley and Jenny Colgan, this first book in a new series by Alexandra Brown—author of the popular Cupcakes at Carrington's series—tells the hilarious, heartwarming story of a jilted bride who anticipates a lonely Christmas but instead finds herself in the tiny village of Tindledale, where the residents share her obsession with knitting. When life unravels, it's time to knit... Sybil has always taken comfort in her passion for knitting, creating beautiful knits stitch by stitch. But her world suddenly unravels when her fiancé ditches her for her identical twin sister at her Star Wars-themed wedding, leaving her sporting a Princess Leia do. Then things go from bad to worse when an incident at work jeopardizes her job. Hoping to escape her woes and forget that she'll be alone for Christmas this year, she visits her friend in Tindledale—a winter wonderland of quaint shops and snowy rooftops. When she arrives in the idyllic town, she can't help feeling like she's in a Hallmark greeting card. She's embraced by welcoming—if eccentric—locals wearing handmade knits that remind Sybil of her own creations as well as her unrealized ambitions of selling them. So when the vintage boutique asks her to make an assortment of knits for their display window, she's thrilled. The hot town doctor has even taken an interest in Sybil, hoping to heal her broken heart. But just when Sybil thinks she's going to have her fairytale Christmas after all, an unexpected turn of events threatens to unspool her happily ever after.
