towering figure in among his papers. Texas and Webb ' s western history remarkable story and letters, appears here in published an abundance of print for the first books—but for time, edited and annotated by decades the Michael Collins, autobiography an authority on he ' d written late Texas history. in life sat largely This firsthand undisturbed account offers

readers a window on the life, the work, and the world of one of the most interesting thinkers in the history, and historiography, of Texas. Webb's narrative carries us from the drought-scarred rim of West Texas known as the Cross Timbers, to the hardscrabble farm life that formed him, to the bright lights of Austin and the University of Texas, where he truly came of age. Fascinating for the picture it summons of the Texas of his youth and the intellectual landscape of his career, Webb's autobiography

also offers intriguing insights into the way his epic work, *The Great Plains*, evolved. He also describes the struggle behind his groundbreaking history of that storied frontier fighting force the Texas Rangers. Along the way, Webb reflects on the nature of historical research, the role that Texas and the West have played in American history, the importance of education, and the place of universities in our national culture. More than a rare encounter with a true American character's life and thought, *A*

Texas's Story is also a uniquely enlightening look into the understanding, writing, and teaching of western American history in its formative years. *Catfantastic Cengage Learning Activity Book For Kids: 45 Beautiful Llamas Design: Llama Designs for Kids from BlueSky Kids Press*, this kids activity book has 45 Llama Activities design to provide hours of fun, calm, relaxation and stress relief through creative expression. A leading figure in the debate over the literary canon, Jane Tompkins was one of the first to point to the ongoing relevance of popular women's fiction in the 19th century, long overlooked or scorned by literary critics. Now, in *West of Everything*, Tompkins shows how popular novels and films of the American west have shaped the emotional lives of people in our time. Into this world full of violence and manly courage, the world of John Wayne and Louis L'Amour, Tompkins takes her

readers, letting them feel what the hero feels, endure what he endures. Writing with sympathy, insight, and respect, she probes the main elements of the Western--its preoccupation with death, its barren landscapes, galloping horses, hard-bitten men and marginalized women--revealing the view of reality and code of behavior these features contain. She considers the Western hero's attraction to pain, his fear of women and language, his desire to dominate the environment--and to merge with it. In fact, Tompkins argues, for better or worse Westerns have taught us all--men especially--how to behave. It was as a reaction against popular women's novels and women's invasion of the public sphere that Westerns originated, Tompkins maintains. With Westerns, men were reclaiming cultural territory, countering the inwardness, spirituality, and domesticity of the sentimental writers, with a rough and tumble, secular, man-centered world. Tompkins brings these insights to bear in considering film classics such as *Red River* and *Lonely Are the Brave*, and novels such as Louis L'Amour's *Last of the Breed* and Owen Wister's *The Virginian*. In one of the most moving chapters (chosen for *Best American Essays* of 1991), Tompkins shows how the life of Buffalo Bill Cody, killer of Native Americans and charismatic star of the Wild West show, evokes the contradictory feelings which the Western typically elicits--horror and fascination with violence, but also love and respect for the romantic ideal of the cowboy. Whether interpreting a photograph of John

Wayne of meditating homes. on the slaughter of cattle, Jane Tompkins writes with humor, compassion, and a provocative intellect. Her book will appeal to many Americans who read or watch Westerns, and to all those interested in a serious approach to popular culture. *Fwa I Daw Books* Each book in this series examines a key utility used by the average household. (1963) Lincoln Children's Books "Solveig Hisdal is not only aware of the knowledge housed in Norway's museums, she has also learned how to use it. She has visited museums throughout the country, searching eagerly for the treasures that her ancestors left behind. She has found textiles, chests, cabinets and old folk costumes that have later become her greatest

source of inspiration.

This book is a result of her quest, and it shows how the creativity of the past has inspired her to make beautiful knitted designs. It contains wonderful knitting ideas for almost all occasions, from a child's christening outfit to an exquisite, knitted bridal cardigan with beads and silk.

Whether you wish to be inspired by the beautiful pictures, or knit some of the outfits -- enjoy the book!"--P. [4] of cover.

Meet Douglas, a dog with a big problem: he needs eyeglasses but doesn't know it, and his bad eyesight tends to land him in some

pretty hairy situations. Readers will laugh along with the new picture book character Douglas as he chases a leaf that he mistakes for a squirrel, walks through wet cement because he can't see the warning sign, and annoys the neighbor's dog by mistakenly eating out of his bowl. And when Douglas's owner Nancy finally takes him to what is clearly an eyeglass store and Douglas asks, "Why are you taking me to a shoe store?" everyone will be

giggling. After an eye exam confirms that Douglas needs glasses, and Nancy helps him find the perfect pair, readers will rejoice with Douglas as he sees all the amazing things he's been missing! Both kids and parents will laugh out loud—and may even recognize themselves!—while reading this utterly irresistible, hilarious picture book. This is book 2 of 7 of the Rapid Review for the Rotation Exam series. Developed by the same Rosh Review team who brought you the popular Rosh Review Qbank. The Rapid Review for the General Surgery Rotation Exam details every national content blueprint topic into a "what you need to know" for your General Surgery Rotation Exam. This book provides a high-yield

review of the pathophysiology, diagnosis, lab analysis, treatments and more. Includes beautifully designed color teaching images for visual learners. Organized so you can add your own notes. Easy to take with you to class, a cafe, or library. The content in the Rapid Review book series is different from the content in the Rosh Qbank. Nonetheless, the Rapid Review book series serves as a perfect companion to the Rosh Qbank. Learning and education is a dynamic process, one that is never ending. Once we commit to a life in medicine, we commit to a life of learning. The Rosh Rapid Review book series is best suited to serve as an adjunct to

your medical education. It is not meant as a primary source, rather it should help you organize your thoughts and provide ancillary knowledge for a more robust education. We are counting on you to not just regurgitate facts, but rather, paraphrasing Dr. Elizabeth Blackburn, to learn how it all works. We are privileged to be in the role of caretaker and thus have a responsibility to our patients to be the most knowledgeable we can be. Use this book on your learning journey. At some point, you will grow out of it. But in the meantime, we hope the hard work by the dedicated Rosh Review team can play just a small role in

helping you reach your goals and achieve your dreams. *Disciple IV* Hachette UK Farrago's Wainscot is a quarterly online zine that collects the weird and sublime in fiction and poetry.
