Grandad Mandela Best American Series (R)

No parent, teacher or nursery group should be without this classic treasury. There are songs, rhymes and games for every occasion, all chosen for their proven popularity with young children. Collected from all over Britain, the contents reflect the cultural diversity of the nation, making it an outstandingly rich and stimulating collection. Since the first edition of This Little Puffin was published over thirty years ago, it has been revised and updated, allowing it to remain the most invaluable book of its kind.

A leading figure in the debate over the literary canon, Jane Tompkins was one of the first to point to the ongoing relevance of popular women's fiction in the 19th century, long overlooked or scorned by literary critics. Now, in *West of Everything*, Tompkins shows how popular novels and films of the American west have shaped the emotional lives of people in our time. Into this world full of violence and manly courage, the world of John Wayne and Louis L'Amour, Tompkins takes her readers, letting them feel what the hero feels, endure what he endures. Writing with sympathy, insight, and respect, she probes the main elements of the Western--its preoccupation with death, its barren landscapes, galloping horses, hard-bitten men and marginalized women--revealing the view of reality and code of behavior these features contain. She considers the Western hero's attraction to pain, his fear of women and language, his desire to dominate the environment--and to merge with it. In fact, Tompkins argues, for better or worse Westerns have taught us all--men especially--how to behave. It was as a reaction against popular women's novels and women's invasion of the public sphere that Westerns originated, Tompkins maintains. With Westerns, men were reclaiming cultural territory, countering the inwardness, spirituality, and domesticity of the sentimental writers, with a rough and tumble, secular, man-centered world. Tompkins brings these insights to bear in considering film classics such as *Red River* and *Lonely Are the Brave*, and novels such as Louis L'Amour's *Last of the Breed* and Owen Wister's *The Virginian*. In one of the most moving chapters (chosen for Best American Essays of 1991), Tompkins shows how the life of Buffalo Bill Cody, killer of Native Americans and charismatic star of the Wild West show, evokes the contradictory feelings which the Western typically elicits--horror and fascination with violence, but also love and respect for the romantic ideal of the cowboy. Whether interpreting a photograph of John Wayne of meditating on the slaughter of cattle, Jane Tompkins writes with humor, compassion, and a provocative intellect. Her book will appeal to many Americans who read or watch Westerns, and to all those interested in a serious approach to popular culture.

Simon and Schuster

Farrago's Wainscot is a quarterly online zine that collects the weird and sublime in fiction and poetry. Words cannot be arranged in too strange a fashion for Old Man Farrago, and FWA 1 is the collected assortment of stories from the first year of the Wainscot's revival. Brand new! Fantastically fresh! With dogs in sweaters! Maybe not that last part, but everything else in the previous paragraph is true in the most literary weird sense possible, because that's what one comes to expect with the Wainscot.

**The Collected Works of Theodore Parker: Discourses of social science** Oxford University Press

Louis Rosen's company creates historically accurate simulacra of people, such as Abraham Lincoln, but a billionaire's secret plans for them could cause trouble for Louis

**Rosh Rapid Review: General Surgery Rotation Exam** Random House Studio

Neldorailin, The land of Elves, Dwarves, Orcs, Humans, Horse Lords and Knights holds the key to Rose's past and to her future. A chance encounter with a dying sailor yields a letter and a key, propelling Rose to discover the mystery behind her heritage. Follow Rose on her fantastical journey fraught with danger and intrigue as she rushes headlong toward her destiny. "A Key of Hope" is Amanda Redhead's exciting introduction to the land of Nelderailin, where many fantastic tales yearn to be told.

**Valentine Penguin Coloring Books** Daw Books

This is book 2 of 7 of the Rapid Review for the Rotation Exam series. Developed by the same Rosh Review team who brought you the popular Rosh Review Qbank. The Rapid Review for the General Surgery Rotation Exam details every national content blueprint topic into a "what you need to know" for your General Surgery Rotation Exam. This book provides a high-yield review of the pathophysiology, diagnosis, lab analysis, treatments and more. Includes beautifully designed color teaching images for visual learners.

Organized so you can add your own notes. Easy to take with you to class, a cafe, or library. The content in the Rapid Review book series is different from the content in the Rosh Qbank. Nonetheless, the Rapid Review book series serves as a perfect companion to the Rosh Qbank. Learning and education is a dynamic process, one that is never ending. Once we commit to a life in medicine, we commit to a life of learning. The Rosh Rapid Review book series is best suited to serve as an adjunct to your medical education. It is not meant as a primary source, rather it should help you organize your thoughts and provide ancillary knowledge for a more robust education. We are counting on you to not just regurgitate facts, but rather, paraphrasing Dr. Elizabeth Blackburn, to learn how it all works. We are privileged to be in the role of caretaker and thus have a responsibility to our patients to be the most knowledgeable we can be. Use this book on your learning journey. At some point, you will grow out of it. But in the meantime, we hope the hard work by the dedicated Rosh Review team can play just a small role in helping you reach your goals and achieve your dreams.

**Power Plant Engineering** Cengage Learning

Walter Prescott Webb (1888–1963), a towering figure in Texas and western history and letters, published an abundance of books—but for decades the autobiography he'd written late in life sat largely undisturbed among his papers. Webb's remarkable story appears here in print for the first time, edited and annotated by Michael Collins, an authority on Texas history. This firsthand account offers readers a window on the life, the work, and the world of one of the most interesting thinkers in the history, and historiography, of Texas. Webb's narrative carries us from the drought-scarred rim of West Texas known as the Cross Timbers, to the hardscrabble farm life that formed him, to the bright lights of Austin and the University of Texas, where he truly came of age. Fascinating for the picture it summons of the Texas of his youth and the intellectual landscape of his career, Webb's autobiography also offers intriguing insights into the way his epic work, *The Great Plains*, evolved. He also describes the struggle behind his groundbreaking history of that storied frontier fighting force the Texas Rangers.

Along the way, Webb reflects on the nature of historical research, the role that Texas and the West have played in American history, the importance of education, and the place of universities in our national culture. More than a rare encounter with a true American character's life and thought, *A Texan's Story* is also a uniquely enlightening look into the understanding, writing, and teaching of western American history in its formative years.

**Tires and Tracks** National Geographic Books

"...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad – the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

**Chicago Impressions** Komali Nunna

Meet Douglas, a dog with a big problem: he needs eyeglasses but doesn't know it, and his bad eyesight tends to land him in some pretty hairy situations. Readers will laugh along with the new picture book character Douglas as he chases a leaf that he mistakes for a squirrel, walks through wet cement because he can't see the warning sign, and annoys the neighbor's dog by mistakenly eating out of his bowl. And when Douglas's owner Nancy finally takes him to what is clearly an eyeglass store and Douglas asks, "Why are you taking me to a shoe store?" everyone will be giggling. After an eye exam confirms that Douglas needs glasses, and Nancy helps him find the perfect pair, readers will rejoice with Douglas as he sees all the amazing things he's been missing! Both kids and parents will laugh out loud—and may even recognize themselves!—while reading this utterly irresistible, hilarious picture book.
