The Audio Expert is a comprehensive reference that covers all aspects of audio, with many practical, as well as theoretical, explanations. Providing in-depth descriptions of how audio really works, using common sense plain-English explanations and mechanical analogies with minimal math, the book is written for people who want to understand audio at the deepest, most technical level, without needing an engineering degree. It's presented in an easy-to-read, conversational tone, and includes more than 400 figures and photos augmenting the text. The Audio Expert takes the intermediate to advanced recording engineer or audiophile and makes

you an expert. The book goes far beyond merely explaining how audio "works." It brings together the concepts of audio, aural perception, musical instrument physics, acoustics, and basic electronics, showing how they're intimately related. Describing in great detail many of the practices and techniques used by recording and mixing engineers, the topics include video production and computers. Rather than merely showing how to use audio devices such as equalizers and compressors, Ethan Winer explains how they work internally, and how they are spec'd and tested. Most explanations are platform-agnostic, applying equally to Windows and Mac operating systems, and to most software and hardware.

TheAudioExpertbook.com, the companion website, has audio and video examples to better present complex topics such as vibration and resonance. There are also videos demonstrating editing techniques and audio processing, as well as interviews with skilled musicians demonstrating their instruments and playing techniques.

THE MLJ COMPANION documents the complete history of Archie Comics' super-hero characters known as the "Mighty Crusaders"—The Shield,

Black Hood, Steel Sterling, Hangman, Mr. Justice, The Fly, and many others. It features in-depth examinations of each era of the characters' extensive history: The Golden Age (beginning with the Shield, the first patriotic super-hero, who pre-dated Captain America by a full year), the Silver Age (spotlighting those offbeat, campy Mighty Comics issues, and The Fly and Jaguar), the Bronze Age (with the Red Circle line, and the Impact imprint published by DC Comics), up to the Modern Age, with its Dark Circle imprint (featuring such fan-favorites series as "The Fox" by Mark Waid and Dean Haspiel). Plus: Learn what "MLJ" stands for! Uncover such rarities as the Mighty Crusaders board game, and the Shadow's short-lived career as a spandex-clad superhero! Discover the ill-fated Spectrum line of comics, that was abruptly halted due to its violent content! See where the super-heroes crossed over into Archie, Betty, and Veronica's world! And read interviews with Irv Novick, Dick Ayers, Rich Buckler, Bill DuBay, Steve Englehart, Jim Valentino, Jimmy Palmiotti, Kelly Jones, Michael Uslan, and others who chronicled the Mighty Crusaders' exploits from the 1940s to today! By Rik Offenberger, Paul Castiglia, and Jon B. Cooke, with a cover by Rich Buckler and Joe Rubinstein. INCLUDES 60 FULL-COLOR PAGES OF KEY MLJ STORIES!

When the videocassette recorder was launched on the consumer market in the mid-1970s, it transformed home entertainment. Bringing together complementary but also competing interests from the consumer electronics industry and the film, television and other copyright industries, video created a new sector of media business. Two decades later, DVD reinvented video media for the digital age. DVD provided consumers with an innovative form of entertainment technology and almost instantaneously became the catalyst for a huge boom in the video market. Although the VCR and DVD created major markets for video hardware and software, the video business has been continually shaped by industry conflicts and tensions. Repeatedly the video market has become divided when faced with the introduction of competing formats. Easy reproduction of films and other works on cassette or disc made video software a lucrative market for the copyright industries but also intensified struggles to combat the effects of commercial piracy. 'Video and DVD Industries' examines the business of video entertainment and provides the first study looking at DVD from an industrial perspective. Detailing divisions in the video business, the book outlines industry battles over incompatible formats, from the Betamax/VHS war, to competing laserdisc systems, alternatives such as video compact disc or Digital Video Express, and the introduction of HDDVD and Blu-ray high-definition systems. Chapters also look at the formation of international markets in the globalization of video media, the contradictory responses of the Hollywood studios to video and DVD, and the legal and technological measures taken to control industrialized video piracy.

Mel Brooks' own words telling all about the players, the filming, and studio antics during the production of this great

comedy classic. The book is alive and teeming with hundreds of photos, original interviews, and hilarious commentary. Young Frankenstein was made with deep respect for the craft and history of cinema-and for the power of a good schwanzstucker joke. This picture-driven book, written by one of the greatest comedy geniuses of all time, takes readers inside the classic film's marvelous creation story via never-before-seen black and white and color photography from the set and contemporary interviews with the cast and crew, most notably, legendary writer-director Mel Brooks. With access to more than 225 behind-the-scenes photos and production stills, and with captions written by Brooks, this book will also rely on interviews with gifted director of photography Gerald Hirschfeld, Academy Award-winning actress Cloris Leachman and veteran producer Michael Gruskoff. Mel Brooks is an American film director, screenwriter, comedian, actor, producer, composer and songwriter. Brooks is best known as a creator of broad film farces and comic parodies including The Producers, The Twelve Chairs, Blazing Saddles, Young Frankenstein, Silent Movie, High Anxiety, History of the World, Part I, Spaceballs and Robin Hood: Men in Tights. More recently, he had a smash hit on Broadway with the musical adaptation of his first film, The Producers. An EGOT winner, he received a Kennedy Center Honor in 2009, the 41st AFI Life Achievement Award in June 2013, and a British Film Institute Fellowship in March 2015. Three of Brooks' classics have appeared on AFI's 100 Years...100 Laughs list. Blazing

Saddles at number 6, The Producers at number 11, and Young Frankenstein at number 13. Judd Apatow is one of the most important comic minds of his generation. He wrote and directed the films The 40-Year-Old Virgin (co-written with Steve Carell), Knocked Up, Funny People, and This Is 40, and his producing credits include Superbad, Bridesmaids, and Anchorman. Apatow is the executive producer of HBO's Girls.

The wildcat of the VicMoran litter, Rafe isn't too convinced the newly discovered laws are for the best. Especially when they would prevent him from chasing down Anna Hunter. He's had a taste of her and now he wants the entire meal. Anna knows better than to let any of the other jaguars know her true feelings about the documents all jaguars are honor-bound to follow. She's not into suppression. No one is going to put a leash on her or demand she behave a certain way simply because some ancient jaguar prophesied the laws be followed in order for survival. Anna knows how to survive. And she knows what she wants-whom she wants. One night of incredible sex changes Rafe's and Anna's lives forever. Now the documents that put a thorn in her claw need to be saved from jaguars out for profit. Rafe and Anna have no problem fighting to save all jaguars. But they'll be damned if they're going to quit enjoying what they both know is right.

From Charlie Kaufman, perhaps the most distinctive screenwriting voice of our generation, comes a visual and philosophic adventure of epic proportions. Much as he did with his groundbreaking scripts for Being John Malkovich, Adaptation, and Eternal Sunshine of the Spotless Mind, Kaufman twists and subverts the form and language of film as he delves into the mind of a man who, obsessed with his own mortality, sets out to construct a massive artistic enterprise that could give some meaning to his life. Starring Philip Seymour Hoffman, Samantha Morton, Michelle Williams, Catherine Keener, Emily Watson, Dianne Wiest, Jennifer Jason Leigh, Hope Davis, and Tom Noonan, and directed by Kaufman, Synecdoche, New York is an epic story of grand artistic ambitions and creative madness.
