A semi-autobiographical novel by an early feminist New Zealand author, Ellen E. Ellis. The character Wrax is a debased version of the

author's husband Oliver, and Zee a weaker version of Ellen. Ellis uses this novel as a vehicle for her views about education, marriage, birth control, prohibition, religion, and female and Maori rights. All these issues are linked to her central concern, the emancipation of women, the novel pre-empting all the central early feminist arguments. Ellis' broad contention is that women need to be emancipated in order to do their 'God-given work' which is to 'bless mankind' and 'fulfil the divine plan of the universe'. She is specific as to the three areas in which emancipation is required, protesting against the

spiritual and intellectual oppression of women, the legal oppression of women, and the physical oppression of women. Cisco Press
Bridge the gap between theoretical education and practical work experience with this hands-on guide to GNSS, which features: • A clear, practical presentation of GNSS theory, with emphasis on GPS and GLONASS • All the essential theory behind software receivers and signal simulators • Key applications in navigation and geophysics, including INS aiding, scintillation

Spencer didn't want summer to end. While he lives for leading his beach volleyball team to victory, off the court, he's all "I" and no team, eager

to avoid the drama of relationships. He especially has no interest in his kinda-odd-but-kind-cute neighbor Patrick, a guy who owns enough pumpkin-scented candles to start a wildfire. For Patrick, the feeling is very much mutual. He'd rather watch wax melt than share air with his kinda-rude-but-kind-hot jock neighbor. Newly single from a painful breakup, he just wants to enjoy his first fall back in Chicago. But Patrick's plan and Spencer's perfect summer both come to a crashing halt after Spencer eats it on the court and winds up in a cast. Stuck having to help his neighbor get around, Patrick

begins to break through the bumps and spikes of Spencer's personality. As the two of them experience all the glory fall has to offer, they soon find themselves lost in a corn maze of emotions. But will their newfound closeness fall apart once Spencer's cast comes off? FALL FOR YOU is a story for everyone who believes in the magic of love, the beauty of autumn, and the power of scented candles.

Family Business The Gift & The Curse SAGE Publications
Handel's Messiah is one of the most beloved musical works of the western world, playing an especially sentimental role in many people's Christmas

traditions. The libretto of the work, taken directly from the King James text of fourteen books of the Bible, has turned many otherwise forgettable phrases into memorable, singable, cherished lines of Scripture. This gift-worthy book will delight and inspire classical music fans and those for whom Messiah is a beloved Christmas tradition with essays exploring the theological, historical, and pastoral implications of the Scriptures that make up Handel's Messiah. Forty reflections journey in order through the oratorio, taking the reader deeper into less-often studied texts like Malachi 3:3 and

bringing new light to oft-recited passages like Luke 2:9-14. Each reflection offers the libretto from Messiah, the same passage in NRSV, and a brief commentary on the text, written by a respected scholar or pastor. Readers can peruse the book at leisure or examine one reflection per day throughout the Advent and Christmas seasons.

With body piercing and tattooing becoming more

popular and mainstream, many teens may think about engaging in these forms of body modification. An excellent resource for young people pondering a piercing or tattoo, this title presents some of the pros and cons they should consider. In an honest and engaging manner, the author presents important information teens need to protect their health, including how to identify a reputable studio, what to expect from the procedures, and how to do proper aftercare. Legal, social, and familial issues are explored, too, including the importance of discussing the decision with their parents and choosing

tattoos or piercings they can
live with throughout adulthood.
