a thing of the

past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets – and one citizen whose soul is as dark as the village night. The Great Christmas Knit-Off

Entangled: Amara
An epic Medieval adventure of the Hundred Years War
When Martin Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there's the chance for some heroics, the reality is very different.

Kemp's war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege

warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital – though dangerous – part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.

Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the

oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he

struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life. Stand-In Saturday Penguin

With stunning views and nothing but free food and drinking ahead, he should be more excited than he is. If only he didn't have feelings for the damn bride. When fate throws Lucie and Theo together under unlikely

To *The Rude Guy* in Apartment Five, I'm glad you're happy to have moved into a new apartment, but no: I do not want to have a beer with you. I do not want to have a nude sleepover. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat. *Poems We Love* Head of Zeus Travis King is the worst kind of asshole. He taunts me

for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but
