I read that you have access to repair manuals for Sony  
TVs. I have a friend that has a Sony KP-57WS500 that  
quit working (No picture, and it turns itself off 5  
seconds after after turning on). Do you have an  
electronic version of the manual? If so, would it be much  
trouble to e-mail it to me at [email protected]. Any help  
would be appreciated.

best part is, these sets are still being sold today and  
sony informed me that they stopped making parts for it.  
i was always a big fan of sony. !!! not no more. sony  
sucks, do not buy!!! thinking of starting a class-action  
lawsuit against sony. if anyone has any of these sets  
with the same problem: kp-51ws500, kp-57ws500 and  
the kp-65ws500.
