and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

### Absolute Beginner's Guide to Upgrading and Fixing Your PC

Springer  
First published in 2006. This guide is an A to Z trade reference aimed at music students, technophiles and audio-

---

video computer users. The world of music technology has exploded over the last decades thanks to introductions of new digital formats. At the same time there has been a renaissance in analog high fidelity equipment and resurgent interest in turntables, long playing records and vintage stereo systems. Music students, collectors and consumers will appreciate the

availability of a guide to all things musical in the technological universe. PC Mag IGI Global This century has been marked by the rapid and divergent uptake of mobile telephony throughout the world. The mobile phone has become a poignant symbol for postmodernity and the attendant modes of global mobility and immobility. Most notably, the icon of the mobile phone is most

palpable in the Asia-Pacific in which a diversity of innovation and consumer practices – reflecting gender and locality – can be found. Through the lens of gendered mobile media, Mobile Media in the Asia Pacific provides insight into this phenomenon by focusing on case studies in Japan, South Korea, China and Australia. Despite the ubiquity and multi-layered nature of

---

mobile media in the region, the patterns of female consumption have received little attention in the growing literature on mobile communication globally. Utilising ethnographic research conducted in the Asia-Pacific over a six-year period, this book investigates the relationship between gender, technology and various forms of mobility and immobility in the region. This book outlines the emerging

modes of gender performativity that makes the Asia-Pacific region so distinct to other regions globally. *Mobile Media in the Asia Pacific* is a fascinating read for students and scholars interested in new media and gender in the Asia-Pacific region. continually practice management techniques that simply do not work. Leaders continually resort to methods that are easy yet ineffective, and refuse to acknowledge their mistakes. Instead they plod along, hoping that somehow things will change on their own. But they rarely do. Why is this so common? How can you avoid it? The answers to these and other questions are carefully explained in

the book, along with easy to implement alternatives to today's most common management mistakes, presented in a simple, step-by-step format. Read *What Not To Do in Business*, and become the leader you were meant to be! Case Printouts, West's Business Law Springer Science & Business Media The Senior Sleuth's Guide to Technology for Seniors provides an

overview of products that help make senior citizens' lives more graceful, independent, invigorating and fun.
