"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

Billboard

A RECOMMENDED BOOK FROM: Bon Appetit * The New York Times Book Review * Epicurious * Plate * Saveur * Grub Street * Wired * The Spruce Eats * Conde Nast Traveler * Food & Wine * Heated For the last 100 years, Nom Wah Tea Parlor has been slingin' some of the world's greatest dim sum from New York's Chinatown. Now owner Wilson Tang tells the story of how the restaurant came to be—and how to prepare their legendary dishes in your own home. Nom Wah Tea Parlor isn't

simply the story of dumplings, though there are many folds to it. It isn't the story of bao, though there is much filling. It's not just the story of dim sum, although there are scores and scores of recipes. It's the story of a community of Chinese immigrants who struggled, flourished, cooked, and ate with abandon in New York City. (Who now struggle, flourish, cook, and eat with abandon in New York City.) It's a journey that begins in Toishan, runs through Hong Kong, and ends up tucked into the corner of a street once called The Bloody Angle. In this book, Nom Wah's owner, Wilson Tang, takes us into the hardworking kitchen of Nom Wah and emerges with 75 easy-to-make recipes: from bao to vegetables, noodles to desserts, cakes, rice rolls, chef's specials, dumplings, and more. We're also introduced to characters like Mei Lum, the fifth-generation owner of porcelain shop Wing on Wo, and Joanne Kwong, the lawyer-turned-owner of Pearl River Mart. He paints a portrait of what Chinatown in New York City is in 2020. As Wilson, who quit a job in finance to take over the once-ailing family business, struggles with the dilemma of immigrant children—to jettison tradition or to cling to it—he also points to a new way: to savor tradition while moving forward. A book for har gow lovers and rice roll junkies, *The Nom Wah Cookbook* portrays a culture at a crossroads.

Commerce Business Daily

The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek, its history, its influence, and the scholarly response to the franchise, as well as possibilities for further study. This volume aims to bridge the fields of science fiction and (trans)media studies, bringing together the many ways in which Star Trek franchising, fandom, storytelling, politics, history, and society have been represented. Seeking to propel further scholarly engagement, this Handbook offers new critical insights into the vast range of Star Trek texts, narrative strategies, audience responses, and theoretical themes and issues. This compilation includes both established and emerging scholars to foster a spirit of communal, trans-generational growth in the field and to present diversity to a traditional realm of science fiction studies.

PC Mag

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Operations Management: Policy, Practice and Performance Improvement

This is a parenting book for people who don't buy parenting books With straight-talking advice from renowned Psychotherapist Philippa Perry, *How to be a Parent* is the definitive guide for any parent looking to navigate their past, avoid repeating mistakes, and ensure they don't land their own kids in therapy. Through the combination of case studies, and therapeutic insight gained from over 20 years of working directly with clients, Perry tackles the wider issues of what it actually means to be a parent, rather than getting bogged down in the little details. This isn't a book about meeting developmental milestones, training your child to have enviable manners, or how to get the much idealised 'perfect' family, it's about creating functional relationships with your children so that they grow up feeling secure, knowing who they are and what they want - giving both them and you a shot at real happiness. Full of refreshing, sage and sane advice on the bigger picture of parenthood, *How to be a Parent* is the only

book you'll ever really need to ensure you don't mess your kids up.

New York Magazine

'Operations Management: policy, practices, performance improvement' is the latest state-of-the-art approach to operations management. It provides new cutting edge input into operations management theory and practice that cannot be found in any other text. Discussing both strategic and tactical inputs it combines and balances service and manufacturing operations. * Cutting edge techniques accompanied by brand new case studies * Challenges standard approaches * Comprehensive coverage of strategic supply management * Critical sample questions to aid discussion * Reading lists and articles to support learning * Additional lecturer support material This outstanding author team is from the Operations Management Group at the University of Bath. Their expertise and knowledge is apparent in the text, and they bring to it their original research and experience in the field of operations management.
