Nikon D40/D40x For Dummies Little, Brown Books for Young Readers
Welcome to Look-Alike Land, where the more you look, the more you see! Like its predecessor, Look-Alikes Jr. features 3-D picture puzzles, but this time invites even the youngest child to join in the fun by featuring simpler, easier-to-find look-alikes in childlike settings. There are 11 scenes - house, parlor,

kitchen, bedroom, school bus, classroom, construction site, movie lobby, train, farm, and rocket - each with 50+ objects to identify (700+ in total). Look for a cement mixer made out of a mustard bottle, kitchen cabinets made out of cakes of soap, and a bed built with crayons and pasta! Fun for all ages. This best-selling book is back with a brand new series design and a striking new cover.

The Moral of the Story: An Introduction to Ethics Oxford Series in Electrical and
Few New Testament characters are as fascinating as Simon Barjona, the man called Peter - a reluctant disciple who changed the face of Christianity. For more than twenty-five years,

author and pastor Larry Huntsperger has spent hundreds of hours studying New Testament documents in preparation for writing this fictional first-person account of the life of this enigmatic disciple. The result is a novel that faithfully follows Scripture while offering a powerful, fresh narration of the story of one of Christianity's greatest men. In the fast-paced chapters of *The Fisherman*, readers will relive Peter's initial resistance to the pull he feels toward Jesus and his ministry.

They'll walk with Peter alongside Jesus through the events of the Gospels and catch intimate glimpses of the disciples' personalities. They'll even "feel" the dust on the roads as familiar stories are transformed into original, spellbinding accounts from Peter's life. This fascinating novel will help readers "to see the Master as a man. For, if we cannot see him correctly as man, we have no hope of understanding him correctly as our God."

Using Your Learning Styles David and Charles

It's rare to discover a candid sports autobiography-- even rare when the author is one of the most recognizable athletes in the world. But in *Shaq Talks Back*, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced

outsized expectations, even as a child when he towered over other kids. *Shaq Talks Back* is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: * Playing at Louisiana State University for the unpredictable coach Dale Brown * Signing the biggest rookie contract ever with the Orlando Magic-- and going to the NBA Finals for the first time * What happened next: dissent, disappointment, and his decision to leave for Los Angeles * The dysfunctional Lakers who were never able to win the big games * Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team * Rivalries with

Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others * The trouble with free throws... * "Bling-bling" and women: the larger-than-life world of NBA players off the court * Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, *Shaq Talks Back* is the true voice of the NBA's best player.

Create animal slippers for the whole family, with this cute collection of patterns from leading crochet designer Ira Rott. First choose your slipper type -- slide, shoe or boot -- then choose your size, and finally choose one of 20 different animal designs. This adorable book will have you reaching for your hook and crocheting the most appropriate animals for your tribe. Why not try the elephants for grandpa (who sometimes forgets), the pandas for mum (whose mascara always runs) and the bears for the little one who loves warm hugs... there are options to delight them all and keep you in handmade gifts to give for years! Ira Rott is well known for her gorgeous animal designs and her easy-to-follow crochet patterns, which include step-by-step photographs for any fiddly parts, and crochet charts alongside the written patterns. She expertly guides you through making three different

kinds of crochet slippers – shoes with covered heels, boots with ankle cuffs, and slides which are backless slippers. Knowing what size to make is made easy thanks to a clever measuring chart at the front of the book. Simply open the flap, put your foot on the measuring gauge and instantly see what size you need. In the book are useful tables that show how much yarn and what size hook you will need for each size. Complete step-by-step instructions and charts then show you how to master each slipper type, with templates for adding non-slip soles to your crochet slippers too. Once you've mastered the slipper-making, the fun begins in creating your crochet animal designs. Choose from: the Snuggly Pug, the Cuddly Bear, the Happy Penguin, the Zingy Dinosaur, the Starry Unicorn, the Rock 'n' Roll Panda, the Sleepy Koala, the Mossy Sloth, the Graceful Elephant, the Playful Pig, the Mischievous Raccoon, the Cheeky Monkey, the Woolly Sheep, the Sandy Turtle, the Sassy Cat, the Hippie Llama, the Brave Moose, the Artful Fox, the Friendly Cow and the Roaring Lion. But that's not all – Ira also shows you how you can mix and match patterns to create all sorts of new animals too. Add the unicorn horn to the cat for a cute uni-kitty, and mix the dinosaur and the penguin to create a wise owl – once you've discovered that you can customize your crochet slippers you'll be able to create unlimited options!

Shaq Talks Back Chronicle Books

A stunning repackage of a companion to Mildred D. Taylor's *Roll of Thunder, Hear My Cry*, with cover art by two-time Caldecott Honor Award winner Kadir Nelson! It is a frightening and turbulent time for the Logan family. First, their friend T.J. must go on trial for murder--and confront an all-white jury. Then, Cousin Suzella tries to pass for white, with humiliating consequences. And when Cassie's neighbor, Mrs. Lee Annie, stands up for her right to vote, she and her family are driven from their home. Other neighbors are destroyed and shattered by the greed of landowners. But through it all, Cassie and the Logans stand together and stand proud--proving that courage, love, and understanding can defy even the deepest prejudice. "This dramatic

sequel to *Roll of Thunder, Hear My Cry* is a powerful novel . . . capable of touching readers of any age."—*The Christian Science Monitor* "A profoundly affecting novel."—*Publishers Weekly*

Kawaii Crochet McGraw-Hill Education Starting with a 10-day meal plan for those wishing to try out the macrobiotic diet, this title explains each meal in terms of its health benefits. With over 100 recipes, an appendix explaining the basic principles of macrobiotics, and a glossary of ingredients, it offers an introduction to an ancient diet. Mayumi Nishimura, one of Japan's best-kept secrets, has worked as Madonna's macrobiotic chef since 2001. In 'Mayumi's Kitchen', her first book in English, she shares her repertoire of healthy, delicious recipes, starting with a 10-day meal plan for Stop Giving the Fat Kid Chocolate Penguin This book addresses sixteen different reform proposals that are urgently needed to correct the fault lines in the international tax system as it exists today, and which deprive both developing and developed countries of critical tax resources. It offers clear and concrete ideas on how the reforms can be achieved and why they are important for a more just and equitable global system to prevail. The key to reducing the tax gap and consequent human rights deficit in poor countries is global financial transparency. Such transparency is essential to curbing illicit financial flows that drain less developed countries of capital and tax revenues, and are an impediment to sustainable development. A major break-through for financial transparency is now within reach. The policy reforms outlined in this book not only advance tax justice but also protect human rights by curtailing illegal activity and making available more resources for development. While the

reforms are realistic they require both political and an informed and engaged civil society that can put pressure on governments and policy makers to act.

The Practical Skeptic: Readings in Sociology includes classic sociological research writings as well as recent pieces on fascinating topics of interest to students. It is the ideal companion to McIntyre 's text, *The Practical Skeptic: Core Concepts in Sociology* or other sociology texts. Readings in this edition challenge students to re-evaluate familiar social arenas: the college classroom, televised sports shows, restaurants, doctors ' offices and even public restrooms. The readings focus around the essential message that there is much that goes on in the social world that escapes the sociologically untrained eye.
