*A Bouquet of Dreams* (A Year of Flowers Book #2) Baker Books  
 “Describes a life that explores, in ways that only fine fiction can, the differences between myth and illusion, between real psychic gifts and false ones.” —The Denver Post  
 This American Book Award Winner follows the story of the young Mei-li Murrow who is dubbed “Madame Psyche” after she accidentally predicts the San Francisco earthquake

of 1906. Although she wins fame and fortune, Mei-li seeks a truer spirituality, and embarks on a pilgrimage that takes her to the death-soaked Europe of the First World War, to a utopian commune in the Santa Cruz Mountains in the 1920s, to the Depression-era migrant work camps and cannery strikes, and finally to the Napa State Hospital, where she finds wisdom and peace among the outcasts of the asylum. Mei-li’s modern-day epic is grounded in the history of Northern California in the first half of the twentieth century and peopled by comrades of many classes and cultures and by lovers both male and female. Yet her central odyssey remains one of inner discovery. In *Confessions of Madame Psyche*, Dorothy Bryant has created a character who is so honest in her search for truth, growth, and spiritual understanding that this quest becomes inherent to her survival. “Breathtaking and heartbreaking . . . It is in the specifics of time and place that Bryant roots the book’s magic. It is in her characterizations that the magic convinces . . . A beautiful story has, very simply, told itself.” —The Denver Post  
 “Fascinating and beautiful.” —Ursula K. LeGuin

 From the author of *Surprise Me* comes an irresistible story of love and empowerment about a young woman with a complicated family, a handsome man who might be "the one," and an IOU that changes everything. Fixie Farr has always lived by her father's motto: "Family first." And since her dad passed away, leaving his charming housewares store in the hands of his wife and children, Fixie spends all her time picking up the slack from her siblings instead of striking out on her own. The way Fixie sees it, if she doesn't take care of her father's legacy, who will? It's simply not in Fixie's nature to say no to people. So when a handsome stranger in a coffee shop asks her to watch his laptop for a moment, she not only agrees--she ends up saving it from certain disaster. To thank Fixie

for her quick thinking, the computer's owner, Sebastian, an investment manager, scribbles an IOU on a coffee sleeve and attaches his business card. Fixie laughs it off--she'd never actually claim an IOU from a stranger. Would she? But then Fixie's childhood crush, Ryan, comes back into her life, and his lack of a profession pushes all of Fixie's buttons. As always, she wants nothing for herself--but she'd love Seb to give Ryan a job. No sooner has Seb agreed than the tables are turned once more and a new series of IOUs between Seb and Fixie--from small favors to life-changing moments--ensues. Soon Fixie, Ms. Fixit for everyone else, is torn between her family and the life she really wants. Does she have the courage to take a stand?
