A dream wedding, a bride with cold feet, and the mountain man that comes to her rescue.

When I started planning my dream wedding at a Christmas tree farm, I never thought that, on

my wedding day, I would literally bolt from my wedding. I run through the Christmas tree farm until I find my favorite spot, which is where Emmett Monroe finds me, still in my wedding dress. The grumpy mountain man offers me a much-needed respite from the chaos, inviting me into his cabin to "hide out" until all the wedding guests leave. But I never think that we will get stuck together for days in the one-bed cabin during a major snowstorm, completely cut off from the outside world. We go sledding and build snowmen, and he even takes me to cut down a Christmas tree for his cabin—something I've never done in my entire life. It's magical, like time is suspended. I fall hard and fast for him, but when the snow stops and the roads have been cleared, we have no choice but to return to reality. I need to deal with the fallout from my failed wedding, and if

I want the head wedding planner position my boss offers me, I have to convince Emmett and his family to allow more holiday weddings to be held on his farm. Emmett is adamantly against it, and our relationship only complicates things. If I don't push this, I might lose my job, but if I do, I might lose the only man I've ever truly loved. Will I finally get my Christmas wish and get everything I've ever wanted? Or will this go down as one of the worst holiday seasons on record?

A pioneer among Palestinian artists, Sophie Halaby was the first Arab woman to study art in Paris, subsequently living independently as a professional painter in Jerusalem throughout her life. She was born in 1906 in Kiev to a Russian mother and a Christian Arab father. Her family fled to Jerusalem in 1917 in the wake of the Russian Revolution. Her life was marked by violence and war, including the Arab Revolt from 1936 to 1939, the Nakba in 1948, and the Six-Day War in 1967. In response, Halaby drew a series of political cartoons criticizing British rule and Zionist goals; later in life, she followed the work of younger artists who supported the Palestine liberation movement. However, the political turmoil of her times is largely not depicted in her art. Instead, her work is a tribute to the enduring beauty of the landscape and flora of Jerusalem, often sketched in pen and ink or red and black chalk, and painted with egg tempera, oils, and watercolors. Schor's compelling biography shines new light on this little-known artist and enriches our understanding of modern Palestinian history.

The Delicate, Passionate World of Gregory Morgan and Vivien Prevet / Book 3 - The Small Family Lea Coll

For decades, pit bulls have been demonized by society and portrayed as hellhounds. They've become the most feared, hated, and abused of all companion animals. Some cities and even entire countries ban them, while the media persist in associating them with viciousness. This unjust reputation has sealed the fate of millions of dogs, who face prejudice around the world and languish in shelters, where they are the most euthanized. In America alone, hundreds of thousands of pit bulls are put to sleep every year. Since 2014, French photographer Sophie Gamand has been composing portraits of adoptable pit bulls from more than thirty shelters and rescues throughout the United States. Many

had been waiting for years for a home. Adorning her models with handmade flower-crowns, Gamand tells each dog's story and celebrates their inherent personality, vulnerability, and individuality. Posted and shared widely on social media, the portraits--at once charming, candid, and deeply affecting--have not only led to hundreds of dogs finding loving, forever homes, but have also spurred efforts to destigmatize an animal whose reputation for violence says more about us than it does the character of the dogs themselves. Full of moving, honest, and inspiring stories of individual dogs and their lives (and deaths), Pit Bull Flower Power presents a vivid, beautifully composed cross-section of Gamand's extraordinary work. The book also serves as a testament to the caring people who work in animal rescue, the passion and dedication of those who provide homes for these animals, and the dignity, forbearance, and love of these dogs, who are at the mercy of humans.
