completed to the point that last night
around 3:00 AM I emailed it
electronically to the publisher. I guess
technically that would mean I finished
it early this morning, preventing my
wife from getting any sleep for half
the night.

Wikipedia

Yes, today was a landmark day. I just
finished the first draft of the novel
Tennis Shoes Adventure Series, Book
11: Sorcerers and Seers. Don't get too
fixated on whether the word
"Sorcerers" comes first or "Seers."
My publisher is still toying with that.
Maybe they'll insist on another title
altogether. Never can tell.

Sorcerers and Seers is the 11th book in
the Tennis Shoes Among the Nephites

lot of emotion woven into the story. Chris
Heimerdinger is a very good author who
obviously spends a ton of time doing
research and writing his books. I loved
reading this book and I really liked the
story.
