From the author of *Exhalation*, an award-winning short story collection that blends "absorbing storytelling with meditations on the universe, being, time and space ... raises questions about the nature of reality and what it is to be human" (The New York Times). *Stories of Your Life and Others* delivers dual delights of the very, very strange and the heartbreakingly familiar, often presenting characters who must confront sudden change—the inevitable rise of automatons or the appearance of aliens—with some sense of normalcy. With sharp intelligence and humor, Chiang examines what it means to be alive in a world marked by uncertainty, but also by beauty and wonder. An award-winning collection from one of today's most lauded writers, *Stories of Your Life and Others* is a contemporary classic. Includes "Story of Your Life"—the basis for the major motion picture *Arrival*

A glittering landscape of twenty-five speculative stories that challenge oppression and envision new futures for America—from N. K. Jemisin, Charles Yu, Jamie Ford, G. Willow Wilson, Charlie Jane Anders, Hugh Howey, and more. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In these tumultuous times, in our deeply divided country, many people are angry, frightened, and hurting. Knowing that imagining a brighter tomorrow has always been an act of resistance, editors Victor LaValle and John Joseph Adams invited an extraordinarily talented group of writers to share stories that explore new forms of freedom, love, and justice. They asked for narratives that would challenge oppressive American myths, release us from the chokehold of our history, and give us new futures to believe in. They also asked that the stories be badass. The result is this spectacular collection of twenty-five tales that blend the dark and the light, the dystopian and the utopian. These tales are vivid with struggle and hardship—whether it’s the othered and the terrorized, or dragonriders and covert commandos—but these characters don’t flee, they fight. Thrilling, inspiring, and a sheer joy to read, A People’s Future of the United States is a gift for anyone who believes in our power to dream a just world. Practice the three simple phrases that heal relationships, strengthen connection, and change the world. We all believe that saying, “ Thank you, ” “ I ’ m sorry, ” and “ Tell me more ” will help us become better people, friends, partners, employees, neighbors, and global citizens. And yet, having been brought up on rugged individualism, we often slip into self-centeredness and a corresponding sense of entitlement. We have lost the ability to speak with gentleness toward one another. We have replaced kind words that connect us to one another with ones that divide, isolate, and hurt. Everywhere we turn there is deep conflict. In this simple yet profound book, clinical psychologist Rod Wilson introduces us to the sacredness of these familiar but forgotten sayings. What impact do these sayings have on our relationships? When we say, “ Thank you, ” we acknowledge the way others impact us. When we say, “ I ’ m sorry, ” we acknowledge the way we impact others. When we say, “ Tell me more, ” we acknowledge the way we impact each other. Try it. Read this book and be encouraged and equipped to deliver kindness in your speech. As you engage with these three phrases more thoughtfully and speak them more frequently, you will enjoy a life full of deeper friendships and joy.
