Three lives collide on an island off India:
“ An engrossing tale of caste and culture... introduces readers to a little-known world. ” —Entertainment Weekly
Off the easternmost coast of India, in the Bay of Bengal, lies the immense labyrinth of tiny islands known as the Sundarbans. For settlers here, life is extremely precarious. Attacks by tigers are common. Unrest and eviction are constant threats. At any moment, tidal floods may rise and surge over the land, leaving devastation in their wake. In this place of vengeful beauty, the lives of three people collide. Piya Roy is a marine biologist, of Indian descent but stubbornly American, in search of a rare, endangered river dolphin. Her journey begins with a disaster when she is

thrown from a boat into crocodile-infested waters. Rescue comes in the form of a young, illiterate fisherman, Fokir. Although they have no language between them, they are powerfully drawn to each other, sharing an uncanny instinct for the ways of the sea. Piya engages Fokir to help with her research and finds a translator in Kanai Dutt, a businessman from Delhi whose idealistic aunt and uncle are longtime settlers in the Sundarbans. As the three launch into the elaborate backwaters, they are drawn unawares into the hidden undercurrents of this isolated world, where political turmoil exacts a personal toll as powerful as the ravaging tide. From the national bestselling author of *Gun Island*, *The Hungry Tide* was a winner of the Crossword Book Prize and a finalist for the Kiriyama

Prize. “ A great swirl of political, social, and environmental issues, presented through a story that ’ s full of romance, suspense, and poetry. ” —The Washington Post

“ Masterful. ” —Publishers Weekly (starred review)

The Soulkeepers struggle to survive in an increasingly deadly world while continuing to defend human souls. How far will they go when saving the world means sacrificing their most precious team member?

Turnabout Soul Catcher Dane has been to Hell and back and isn't interested in repeating the experience. When Malini asks him to be part of a Soulkeeper

mission, more than one team member thinks she's tempting Fate. But Malini suspects Fate has had a hand in Dane's life for some time and that he could be the key to unraveling Lucifer's latest plan of attack. The Soulkeepers When 15 year old Jacob survives a car crash, no one can explain why he was driving or why the police can't find his mother's body. A mysterious neighbor offers to use her unique abilities to help him find his mom. In exchange, she requires Jacob to train as a Soulkeeper, a protector of human souls. Soon Jacob questions her motives for helping him Weaving Destiny Malini Gupta thought Jacob Lau was her destiny. But after months of failing to decipher how she fits into the Soulkeepers, frustration threatens to tear their relationship apart.

When Malini faces her worst fears, and even death, she learns a funny thing about destiny. Fate is a tapestry of choices, and she has the power to weave hers. The Soulkeepers Series Box Set All six books in the bestselling Soulkeepers Series, all in one place and for one low price! The Soulkeepers, Book 1 When fifteen-year-old Jacob Lau is pulled from the crumpled remains of his mother's car, no one can explain why he was driving or why the police can't find his mother's body. A beautiful and mysterious neighbor offers to use her unique abilities to help him find his mom. But in exchange she requires Jacob to train as a Soulkeeper, a protector of human souls. He agrees to her demands, desperate for any clue to the mystery of his mother's disappearance. But soon Jacob

finds himself trapped in a web of half-truths, and questions her motives for helping him. Weaving Destiny, Book 2 Malini Gupta thought Jacob Lau was her destiny. But after months of failing to decipher how she fits into the Soulkeepers, frustration threatens to tear their relationship apart. And it doesn't help that a new Soulkeeper named Mara is ready to stop time itself to earn Jacob's love. When Malini faces her worst fears, and even death, she learns a funny thing about destiny. Fate is a tapestry of choices, and she has the power to weave hers. Return to Eden, Book 3 Dr. Abigail Silva has waited over 10,000 years for redemption and a chance at a real relationship with the angel she loves. But when you're made from evil itself, it's hard to remember if salvation is worth the wait.

With Lucifer's plan coming to fruition, she must decide if God's offer of humanity is all it's cracked up to be, or if a deal with the devil is the more promising solution. Soul Catcher, Book 4 Dane Michaels has been to Hell and back and isn't interested in repeating the experience. But as a human caught up in the Soulkeeper's world, his life isn't exactly his own. No one can explain why Dane was allowed through the gates of Eden, but it's changed everything. Now, the only one who can make him feel safe is Ethan, the telekinetic Soulkeeper with a dark past and a heart of gold. When Malini asks Dane to be part of a mission to find the last Soulkeeper, Cheveyo, more than one team member thinks she's tempting Fate. But Malini suspects Fate has had a hand in Dane's life for some time and that he could be the key to unraveling Lucifer's latest plan of attack. Lost Eden, Book 5 When Fate gave Dane the water from Eden to drink, she did more than save his life. She changed his destiny. Since the beginning, a covenant between God and Lucifer has maintained a tenuous peace, balancing Soulkeepers and Watchers and the natural order of things. Dane upset that Fate broke the rules. Now, Lucifer is demanding a consequence, requiring Fate to pay the ultimate price for her involvement. God intervenes on the immortal's behalf but in order to save her soul must dissolve the covenant and with it the rules, order, and balance that have kept the peace. A challenge is issued. A contest for human souls begins. And the stakes?

Soulkeeper

Explore the counterearth of Gor—where men enslave women and science fiction and fantasy combine—in the latest installment of the long-running Gorean Saga. A mysterious package lies unclaimed somewhere in the great port of Brundisium, and it is rumored that its

contents could determine the fate of a world. Whether or not that is true, one thing is certain: Men and beasts will kill to claim it. Meanwhile, a young woman, now merchandise, has been brought to the slave markets of Gor after displeasing a stranger in her secretarial job back on Earth. Unbeknownst to her, she holds the key to finding the elusive package—and changing the course of history forever. Inspired by works like Edgar Rice Burroughs's John Carter of Mars novels and Robert E. Howard's Almuric, this adventure series—alternatively referred to by several names including the Chronicles of Counter-Earth or the Saga of Tarl Cabot—has earned a devoted following for its richly detailed world building, erotic themes, and mash-up of science fiction,

fantasy, history, and philosophy. Plunder of Gor is the 34th book in the Gorean Saga, but you may enjoy reading the series in any order.

In this learned, yet readable, book, Joseph McDermott introduces the history of the book in China in the late imperial period from 1000 to 1800. He assumes little knowledge of Chinese history or culture and compares the Chinese experience with books with that of other civilizations, particularly the European. Yet he deals with a wide range of issues in the history of the book in China and presents novel analyses of the changes in Chinese woodblock bookmaking over these centuries. He presents a new view of when the printed book replaced the manuscript and what drove that substitution. He explores the distribution and marketing structure of books, and writes fascinatingly on the history of book collecting and about access to private and government book

collections. In drawing on a great deal of Chinese, Japanese, and Western research this book provides a broad account of the way Chinese books were printed, distributed, and consumed by literati and scholars, mainly in the lower Yangzi delta, the cultural center of China during these centuries. It introduces interesting personalities, ranging from wily book collectors to an indigent shoe-repairman collector. And, it discusses the obstacles to the formation of a truly national printed culture for both the well-educated and the struggling reader in recent times. This broad and comprehensive account of the development of printed Chinese culture from 1000 to 1800 is written for anyone interested in the history of the book. It also

offers important new insights into book culture and its place in society for the student of Chinese history and culture. 'A brilliant piece of synthetic research as well as a delightful read, it offers a history of the Chinese book to the eighteenth century that is without equal.' - Timothy Brook, University of British Columbia 'Writers, scribes, engravers, printers, binders, publishers, distributors, dealers, literati, scholars, librarians, collectors, voracious readers — the full gamut of a vibrant book culture in China over one thousand years — are examined with eloquence and perception by Joseph McDermott in *The Social History of the Book*. His lively exploration will be of consuming interest to bibliophiles of every persuasion.' - Nicholas

A. Basbanes, author of *A Gentle Madness*, *Patience and Fortitude*, *A Splendor of Letters*, and *Every Book Its Reader* Joseph McDermott is presently Fellow of St John's College, Cambridge, and University Lecturer in Chinese at Cambridge University. He has published widely on Chinese social and economic history, most recently on the economy of the Song (or, Sung) dynasty for the *Cambridge History of China*. He has edited *State and Court Ritual in China* and *Art and Power in East Asia*. [Romancing the Null](#) Open Road Media

There are three kinds of lies. Lies the fates spin as half truths. Lies of destined love. And statistics. As a fateless, Kate Hale is immune to the first two, but the third kind of lie is her profession. After spending years as an actuary for the Traffic Department, Kate is promoted to Accidental Death Predictions. It's all she's worked toward, and her career is finally on track. But when an oracle delivers an impossible death prediction and insists on her help to solve the case, she might lose any chance of impressing the brass. Her only hope comes in the form of the police liaison assigned to her department, latent werewolf Ian Becker. Becker can grant her the clearance to find answers, but he's a wild card with a shady past who doesn't play well with others. Every prediction has a loophole, but if Kate can't solve the case before the crime is fated to occur she won't just lose her job-she'll have the blood of an oracle on her hands. The Ledgers of Merit and Demerit Simon and

Schuster

When Harley and Jason start fake dating, they uncover a school of deceptions. Trent's got a secret, but so does Jason. And the more time Harley spends secretly kissing her fake boyfriend, the further she gets from her dreams with Trent. Worst of all, Harley's mom is getting cozy with her hot massage therapy student, and even Harley's Reverend Dad can't fake not being bothered by it. But when the masks finally come off, can everyone handle the real truth?

"A gloriously macabre young-adult tale about the
difficulties of being a teenage ghoul in the 1970s." -
KIRKUS REVIEWS"A completely over-the-top
tale of punk rock and corpse eating--but it's also an
amazing story of growing up." - PAUL FORD,
author of Gary Benchley, Rock Star
(Plume)"Emotional, horrible, mysterious and
thrilling." - GIRLINTHEWOODSREVIEWS
blog.AMERICAN GHOUL tells the story of
seventeen-year-old Howard Pickman, a boy with
odd problems. He just got dumped into the worst
high school in the state of New Jersey, but that's
nothing compared to his secret family history of
digging up corpses for dinner. This is a novel filled
with the creepy funkiness of the 1970s, a bygone

age of punk rock, bad disco and muscle cars roaring through hot summer nights. AMERICAN GHOUL explores the good times of teenage friendships and the darkness at the heart of American youth. It's a fun, scary, and zany look at a time when being a teenager was so dangerous you just might have to be a monster in order to survive. AMERICAN GHOUL is recommended for readers comfortable with "R" rated language. If you lived through the 1970s, a few flashbacks are guaranteed, both pleasant and shocking.

The battle against fate begins. Cora Blake needs answers to her growing magical abilities. She returns to her hometown in the Native Free Lands for the first time since she was a child, seeking out the tribe's elder. But when a prophecy foretells of an attack on the tribal lands, she must fight against fate to prevent a war. The dragon Lucius manipulates from the shadows, while Cora's own demons threaten to break her. Trapped in a conflict that appears predetermined, Cora must turn against the agency that trained her. She came to Heaven's Crest for answers. What she found

is a cause worth fighting for. Don't miss Heaven's Crest, the second book in The Dragon's Dream Saga by D.C. Fergerson! The Truth about Letting Go Open Road Media

"Sibao today is a cluster of impoverished villages in the mountains of western Fujian. Yet from the late seventeenth through the early twentieth century, it was home to a flourishing publishing industry. Through itinerant booksellers and branch bookshops managed by Sibao natives, this industry supplied much of south China with cheap educational texts, household guides, medical handbooks, and fortune-telling manuals. It is precisely the ordinariness of Sibao imprints that make them valuable for the study of commercial publishing, the text-production

process, and the geographical and social expansion of book culture in Chinese society. In a study with important implications for cultural and economic history, Cynthia Brokaw describes rural, lower-level publishing and bookselling operations at the end of the imperial period. Commerce in Culture traces how the poverty and isolation of Sibao necessitated a bare-bones approach to publishing and bookselling and how the Hakka identity of the Sibao publishers shaped the configuration of their distribution networks and even the nature of their publications. Sibao's industry reveals two major trends in print culture: the geographical extension of commercial woodblock publishing to hinterlands

previously untouched by commercial book culture and the related social penetration of texts to lower-status levels of the population."

Angelfall Sound Entertainment Limited
Puzzling, disturbing rumors have reached Port Kar. Tarl Cabot, warrior and merchant, pirate and slaver, once of Earth, now of Gor, learns that the Farther Islands, Thera, Daphna, and Chios, west of the Island Ubarates of Cos and Tyros, are being bloodily and systematically ravaged by corsairs supposedly led by himself, by Bosk of Port Kar, as he is commonly known. How could this be? What is one to make of it? Why would so cruel and outrageous a hoax, apparently pointless, be perpetrated? Who would dare to do so? And, in the meantime, shipping is assailed and towns and villages are looted and burned. Tarl Cabot will investigate.

He will seek vengeance. His quest will carry him to the taverns and palaces of corrupt, luxurious, decadent Sybaris, on Thera, where life is cheap and collared slave girls plentiful, where ruthless corsairs live by the sword and whip, and into strange and dangerous waters teeming with predatory vessels and monstrous sea life. As the mystery is unraveled, bit by bloody bit, he discovers that its threads may reach far beyond the Farther Islands.

When We Have Wings Flirt

The ledgers of merit and demerit were a type of morality book that achieved sudden and widespread popularity in China during the sixteenth and seventeenth centuries. Consisting of lists of good and bad deeds, each assigned a certain number of merit or demerit points, the ledgers offered the hope of divine reward to users "good" enough to accumulate a

substantial sum of merits. By examining the uses of the ledgers during the late Ming and early Qing periods, Cynthia Brokaw throws new light on the intellectual and social history of the late imperial era. The ledgers originally functioned as guides to salvation for twelfth-century Taoists and Buddhists, but Brokaw shows how the literati of turbulent sixteenth-century China began to use them as aids in the struggle for official status through civil service examinations. The author describes how the responses of some Confucian thinkers to the popularity of the ledgers not only refined the orthodox Neo-Confucian method of self-cultivation but also revealed the serious ambiguity of the classic Confucian understanding of the relationship between fate and human action. Finally, she demonstrates that by the end of the seventeenth century the ledgers were used not so much to facilitate upward mobility as to promote social stability by prescribing standards that encouraged people to keep to their social places. Originally published in 1991. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. Katie is on the verge of her Rumspringa, the time in Amish life when teenagers can get a taste of the real world. But the real world comes to her in this dystopian tale with a philosophical bent. Rumors of massive unrest on the “ Outside ” abound. Something murderous is out there. Amish elders make a rule: No one goes outside, and no outsiders come in. But when Katie finds a gravely injured young man, she can ’ t leave him to die. She smuggles him into her family ’ s barn—at what cost to her community? The suspense of this vividly told, truly horrific thriller will keep the pages turning.

Univ of California Press

Despite the importance of books and the written

word in Chinese society, the history of the book in China is a topic that has been little explored. This pioneering volume of essays, written by historians, art historians, and literary scholars, introduces the major issues in the social and cultural history of the book in late imperial China. Informed by many insights from the rich literature on the history of the Western book, these essays investigate the relationship between the manuscript and print culture; the emergence of urban and rural publishing centers; the expanding audience for books; the development of niche markets and specialized publishing of fiction, drama, non-Han texts, and genealogies; and more.
