In Soul Dust, the psychologist

Nicholas Humphrey, a leading

figure in consciousness

research, proposes a startling

new theory. Consciousness,

he argues, is nothing less

than a magical-mystery show

that we stage for ourselves

inside our own heads. This

self-made show lights up the

world for us and makes us feel

special and transcendent.

**Soul Dust: The Magic of
Consciousness - Kindle

Thus consciousness

paves the way for

spirituality, and allows us,

as human beings, to reap

the rewards, and

anxieties, of living in what

Humphrey calls the soul

niche.? Tightly argued,

intellectually gripping, and

a joy to read, Soul Dust

provides answers to the

deepest questions. It

shows how the problem

of consciousness merges

with questions that

obsess us all--how life

should be lived and the

fear of death.
