The Rising begins a new Left Behind series that will give you a glimpse into the lives of your favorite characters before the Rapture. Have you ever wondered what life was like before the Rapture for Rayford,

Irene, and Chloe Steele, Bruce Barnes, Buck Williams, and Tsion Ben Judah? Plus, see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life. What were the events surrounding Nicolae's sudden rise to power? How did he become filled with evil? You will find all these answers and more in this exciting new series! In The Rising, Marilena Carpathia has only one dream: to be a mother. So when a mysterious clairvoyant promises the fulfillment of this dream, Marilena does not hesitate. Through genetic engineering and the power of the prince of darkness himself, Marilena is about to become a chosen vessel, one who will unknowingly give birth to the greatest evil the world has ever known. Halfway around the world, God's plans are subtly being carried out too. Young Ray Steele is determined to avoid one day taking over the family business. Instead, Ray sets his heart on becoming a pilot. Soon Carpathia's and Steele's lives will intersect. And good and evil will clash in an explosion that will shake the world. The eternal battle for souls has come to earth. The world hurtles toward the countdown to the Rapture. Soul Harvest John Wiley & Sons It has been nearly two years since

Reveals the Grey ' s nature

as sophisticated self-aware

machines created by a long

vanished extraterrestrial

civilization • Explains how

their quest to capture human

souls appears in the historical

record from biblical times •

Explains how the

phenomenon of racism is a

by-product of their genetic

tampering In 1997 Nigel

Kerner first introduced the

notion of aliens known as

Greys coming to Earth,

explaining that Greys are

sophisticated biological

robots created by an

extraterrestrial civilization

they have long since

outlived. In this new book

Kerner reveals that the

Greys are seeking to master

death by obtaining

something humans possess that they do not: souls.

Through the manipulation of

human DNA, these aliens

hope to create their own

souls and, thereby, escape the

entropic grip of the material

universe in favor of the

timeless realm of spirit.

Kerner explains that genetic

manipulation by the Greys

has occurred since biblical

times and has led to

numerous negative qualities

that plague humanity, such

as violence, greed, and

maliciousness. Racism, he

contends, was developed by

the aliens to prevent their

genetic experiments from

being compromised by

breeding with others outside

their influence. Examining

historical records, Kerner

shows that Jesus, who

represented an uncorrupted

genetic line, warned his

disciples about the threat

posed by these alien

interlopers, while Hitler, a

pure product of this alien

intelligence, waged genocide

in an attempt to rid Earth of

all those untouched by this

genetic tampering. Despite

the powerful grip the Greys

have on humanity, Kerner

says that all hope is not lost.

Greys exist wholly in the

material world, so if we

follow the spiritual laws of

reincarnation and karma,

aiming for enlightenment and rising above the material--a state the Greys are unable to reach--we can free ourselves from their grasp.

Left Behind SC Books 1-6 Boxed Set Tyndale House Publishers, Inc.

Conservative evangelicalism has transformed American politics, disseminating a sometimes fearful message not just through conventional channels, but through subcultures and alternate modes of communication. Within this world is a "Religion of Fear," a critical impulse that dramatizes cultural and political conflicts and issues in frightening ways that serve to contrast "orthodox" behaviors and beliefs with those linked to darkness, fear, and demonology. Jason Bivins offers close examinations of several popular evangelical cultural creations including the Left Behind novels, church-sponsored Halloween "Hell Houses," sensational comic books, especially those disseminated by Jack Chick, and anti-rock and -rap rhetoric and censorship. Bivins depicts these fascinating and often troubling phenomena in vivid (sometimes lurid) detail and shows how they seek to shape evangelical cultural identity. As the "Religion of Fear" has developed since the 1960s, Bivins sees its message moving from a place of relative marginality to one of prominence. What does it say about American public life that such ideas of fearful religion and violent politics have become normalized? Addressing this question, Bivins establishes links and resonances between the

cultural politics of evangelical pop, the activism of the New Christian Right, and the political exhaustion facing American democracy.

Religion of Fear is a significant contribution to our understanding of the new shapes of political religion in the United States, of American evangelicalism, of the relation of religion and the media, and the link between religious pop culture and politics.

The scattered Tribulation Force is drawn toward the Middle East, as are all the armies of the world, when human history culminates in the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe and the world has become a powder keg of danger. Except for those already in Petra, everyone

has been forced to relocate as the Antichrist ratchets up the pressure in the world's most treacherous game. As the Trib Force waits for the coming of Christ, Chloe Williams is drawn out of the safe house to investigate something suspicious. Buck and TSION travel to Jerusalem while Nicolae Carpathia orders an attack on the city, and Rayford becomes seriously injured outside Petra. Who will survive Armageddon? A repackage of the eleventh book in the New York Times best-selling Left Behind series.

Soul Harvest Tyndale House Publishers, Inc.

The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995. Jerry Falwell pronounced it the most important series of books in the history of modern Christianity. Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it. But according to real biblical scholarship, this series is seriously flawed. Based on a misreading of many scriptures, including Daniel and the Book of Revelation, it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden, unexpected return of Jesus. In this book, William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books, critiquing them in the light of genuine biblical scholarship and common sense. Nicolae Tyndale House Publishers, Inc. "A sharp fantasy thriller." --People "Swoonworthy." --Time "Sharp, dark, thoughtful and romantic." --Cassandra Clare, #1 New York Times bestselling author When their worlds collide, X and Zoe are pushed to the edge of everything in this much-buzzed-about tour de force YA fantasy from Entertainment Weekly veteran Jeff Giles. For the perfect love, what would you be willing to lose? It's been a shattering year for seventeen-year-old Zoe, who's still reeling

from her father's shocking death in a caving accident and her neighbors' mysterious disappearance from their own home. Then on a terrifying subzero, blizzard night in Montana, she and her brother are brutally attacked in the woods--only to be rescued by a mysterious bounty hunter they call X. X is no ordinary bounty hunter. He is from a hell called the Lowlands, sent to claim the soul of Zoe's evil attacker and others like him. X is forbidden from revealing himself to anyone other than his prey, but he casts aside the Lowlands' rules for Zoe. As they learn more about their colliding worlds, they begin to question the past, their fate, and their future. But escaping the Lowlands and the ties that bind X might mean the ultimate sacrifice for them both. Gripping and full of heart, this epic start to a new series will bring readers right to the edge of everything. Tribulation Force Tyndale House Publishers, Inc. Everything was going fine . . . until it wasn't. For Reverend Junius B. Dotson it took an actual breakdown during a funeral for him to realize he needed a reset. As he recalls his own journey through grief, depression, burnout, and emotional breakdown, Dotson is passionate about calling for a Soul Reset for pastors, church leaders, and all disciples of Jesus Christ. This is a 6-week churchwide study for everyone who moves at breakneck speed through their

daily lives, often relying only on their own strength to bring God's kingdom on earth. Jesus shows us a different way, an easier, unforced rhythm of what kingdom work looks like. It's a balance of work, rest, play, worship, exercise, and eating well—spiritual practices that keep our souls hydrated and healthy as we do the work of the church in the world. Soul Reset: Breakdown, Breakthrough, and the Journey to Wholeness includes a book; a DVD; downloadable video segments; age-level discussion guides for children, youth, and adults; sermon starters; and more. Soul Reset is a call for the church and all of Jesus' disciples to reset and reorder their lives around spiritual practices, to learn to walk through our difficult seasons with our souls connected to the source of Living Water so that we don't burn out or break down. And if we do burn out or break down, we learn to lift one another up and point one another back to Jesus. Introduction Chapter 1: Watch How I Do It – Jesus Chapter 2: Knocking on God's Door – David Chapter 3: It's Not All on Me – Mary and Martha Chapter 4: Eat Something – Elijah Chapter 5: Life in Crisis – Job Chapter 6: Living in the Light – Judas and Peter How Should One Read a Book Oxford University Press on Demand Since its initial publication, Critical Digital Studies has proven an indispensable guide to understanding digitally mediated culture. internationally renowned scholars Arthur and Marilouise Kroker present an innovative and interdisciplinary survey of the relationship between humanity and technology. The reader offers a study of our digital future, a means of understanding the world with new analytic tools and means of communication that are defining the twenty-first century. The second edition includes new essays on the impact of social networking technologies and new media. A new section - "New Digital Media" - presents important, new articles on topics including hacktivism in the age of digital power and the relationship between gaming and capitalism. The extraordinary range and depth of the first edition has been maintained in this new edition. Critical Digital Studies will continue to provide the leading edge to readers wanting to understand the complex intersection of digital culture and human knowledge. Critical Digital Studies Simon and Schuster The sequel to the best-selling Christian fiction series that has sold over 63 million copies! Reunite with all your favorite characters and see how they fare in this capstone final title of the Left Behind saga. The horrors of the Tribulation are over, and Jesus Christ has set up his perfect kingdom on earth. Believers all around the world enjoy a newly perfected relationship with their Lord, and the earth itself is

transformed. Yet evil still lurks in the hearts of the unbelieving. As the Millennium draws to a close, the final generation of the unrepentant prepares to mount a new offensive against the Lord Himself—sparking the final and ultimate conflict from which only one side will emerge the eternal victor.
