Join the Young Trib Force as they live during earth's last days.

Remember to Harvest Penguin

2004 Christy Award finalist! The scattered Tribulation Force is drawn toward the Middle East, as are all the armies of the world, when human history culminates in the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe and the world has become a powder keg of danger. Except for those already in Petra, everyone has been forced to relocate as the Antichrist ratchets up the pressure in the world's most treacherous game. As the Trib Force waits for the coming of Christ, Chloe Williams is drawn out of the safe house to investigate something suspicious. Buck and Tsion travel to Jerusalem while Nicolae Carpathia orders an attack on the city, and Rayford becomes seriously injured outside Petra. Who will survive Armageddon? A repackage of the eleventh book in the New York Times best-selling Left Behind series.

[Rapture, Revelation, and the End Times](#) Tyndale House Publishers, Inc.

An indispensable exploration of the runaway bestselling series! From Left Behind to Glorious Appearing, the books in the Left Behind series have sold over 60,000,000 copies worldwide and their popularity continues to grow. What makes the books about the apocalypse so popular? What is it about the end times that fascinates millions around the globe? And what does the Bible really say about the end of the world? In Rapture, Revelation, and the End Times, six experts gather to answer these provocative questions and more, guiding readers through the different Christian millennialist views and how they developed. They explore the historical, biblical, social and political issues raised by the Left Behind series' religious perspective, present broad questions that curious readers might ask, and encourage us to reflect on the issues the series raises. An entertaining and informative book for fans as well as skeptics, this is a top-notch resource you won't want to be without! Rapture, Revelation, and the End Times answers some of the most often-asked questions about this fascinating series of books: \* How popular are the Left Behind books . . . and why? \* What does the Bible say about the end times? \* How did Left Behind's particular vision of the end times develop? \* When do Christians think the end times will happen? \* How are other religions treated in the Left Behind series? \* What social and political messages appear in the Left Behind books? This MUST-HAVE book also includes a READER'S GUIDE with: \* Reader's Group Discussion Questions \* Full Glossary of Religious Terms \* Suggestions For Further Reading from a Variety of Perspectives This book has not been approved, licensed, or sponsored by any of the writers, publishers, or distributors of the books in the Left Behind series nor by any person or entity involved in the creation, production, or distribution of any media based on the series.

[Soul Harvest](#) Simon and Schuster

The sequel to the best-selling Christian fiction series that has sold over 63 million copies! Reunite with all your favorite characters and see how they fare in this capstone final title of the Left Behind saga. The horrors of the Tribulation are over, and Jesus Christ has set up his perfect kingdom on earth. Believers all around the world enjoy a newly perfected relationship with their Lord, and the earth itself is transformed. Yet evil still lurks in the hearts of the unbelieving. As the Millennium draws to a close, the final generation of the unrepentant prepares to mount a new offensive against the Lord Himself—sparking the final and ultimate conflict from which only one side will emerge the eternal victor.

Sequel to Left behind.

[Armageddon](#) Tyndale House Publishers, Inc.

As the world's thousands of believers gather in Jerusalem for a stadium rally, the Tribulation Force struggles with their own personal crises. Newspaper reporter Buck Williams and his wife, Chloe, question whether or not they should have a child when the future of the world is so uncertain. Meanwhile, Rayford Steele discovers the shocking truth about his wife, Amanda. Nicolae Carpathia continues his rise to power, forcing believers underground. But Nicolae isn't prepared for a plague of scorpion-like locusts tormenting his followers—with a pain so horrible that men try to kill themselves but aren't allowed to die. A repackage of the fifth

book in the New York Times best-selling Left Behind series.

[Dead Harvest](#) Tyndale House Publishers, Inc.

The Left Behind series by Tim LaHaye and Jerry B. Jenkins has become a popular culture phenomenon, selling an astonishing 40 million copies to date. These novels, written by two well-known evangelical Christians, depict the experiences of those "left behind" in the aftermath of the Rapture, when Christ removes true believers, leaving everyone else to suffer seven years of Tribulation under Satan's proxy, Antichrist. In Marks of the Beast, Shuck uncovers the reasons behind the books' unprecedented appeal, assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey's 1970 blockbuster The Late Great Planet Earth. It also explores what we can learn from them about evangelical Christianity in America. Shuck finds that, ironically, the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers—especially evangelicals—to embrace solutions that enact, rather than engage, their fears. Most strikingly, he shows how the ultimate vision put forth by the series' authors inadvertently undermines itself as the series unfolds.

Virginia Woolf dreamed of the Day of Judgment. The "great conquerors and lawyers and statesmen" come to receive their rewards—crowns, laurels, names carved on marble. But, when he sees people coming with books under their arms, God turns to Peter and says: "Look, those need no reward. We have nothing to give them here. "They have loved reading." And this is the essence of her essay—sheer love for the written word: a joy in exploring the thoughts and imaginings of the author. If you sometimes get bogged down in a book, Woolf has produced the perfect self-help manual and motivational guide to reading. If you enjoyed 'How Should One Read a Book?', try 'How to Read a Book: The Classic Guide to Intelligent Reading', by Mortimer J Adler. "To read a novel is a difficult and complex art," says Virginia Woolf. Adeline Virginia Woolf (1882-1941) made an impact during her life, but her fame grew in the decades after her death. The English writer helped launch the use of stream-of-consciousness in literature and was a pioneer of 20th century modernism. Arguably her greatest legacy, though, comes from how her writing helped to inspire the feminist movements of the second half of the 20th century. Along with members of her family and other authors, Woolf helped found the Bloomsbury Group. After she married the political theorist and author Leonard Woolf in 1912, they went on to found the Hogarth Press. Virginia also had a long relationship with the writer Vita Sackville-West. The affair featured in the 2018 movie Vita and Virginia', starring Gemma Arterton and Elizabeth Debicki, He best-known works include the novels 'Mrs Dalloway', 'To the Lighthouse' and 'Orlando'.

"No." File Under: Urban Fantasy [ Souled Out | Damned If You Don't | Collector Mania | On The Run ] e-book ISBN: 978-0-85766-219-4 From the Paperback edition.

[Assassins](#) NYU Press

After millions of people around the world vanish in one moment, in what many claim to be the Rapture, Rayford Steele begins a search for the truth amidst global chaos.

[The Rising](#) Springer

Exposes the agenda behind the bio-robotic grey aliens' genetic manipulation of certain human races • Reveals the Grey's nature as sophisticated self-aware machines created by a long vanished extraterrestrial civilization • Explains how their quest to capture human souls appears in the historical record from biblical times • Explains how the phenomenon of racism is a by-product of their genetic tampering In 1997 Nigel Kerner first introduced the notion of aliens known as Greys coming to Earth, explaining that Greys are sophisticated biological robots created by an extraterrestrial civilization they have long since outlived. In this new book Kerner reveals that the Greys are seeking to master death by obtaining something humans possess that they do not: souls. Through the manipulation of human DNA, these aliens hope to create their own souls and, thereby, escape the entropic grip of the material universe in favor of the timeless realm of spirit. Kerner explains that genetic manipulation by the Greys has occurred since biblical times and has led to numerous negative qualities that plague

humanity, such as violence, greed, and maliciousness. Racism, he contends, was developed by the aliens to prevent their genetic experiments from being compromised by breeding with others outside their influence. Examining historical records, Kerner shows that Jesus, who represented an uncorrupted genetic line, warned his disciples about the threat posed by these alien interlopers, while Hitler, a pure product of this alien intelligence, waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering. Despite the powerful grip the Greys have on humanity, Kerner says that all hope is not lost. Greys exist wholly in the material world, so if we follow the spiritual laws of reincarnation and karma, aiming for enlightenment and rising above the material--a state the Greys are unable to reach--we can free ourselves from their grasp.

*Critical Digital Studies* Hachette UK

Conservative evangelicalism has transformed American politics, disseminating a sometimes fearful message not just through conventional channels, but through subcultures and alternate modes of communication. Within this world is a "Religion of Fear," a critical impulse that dramatizes cultural and political conflicts and issues in frightening ways that serve to contrast "orthodox" behaviors and beliefs with those linked to darkness, fear, and demonology. Jason Bivins offers close examinations of several popular evangelical cultural creations including the Left Behind novels, church-sponsored Halloween "Hell Houses," sensational comic books, especially those disseminated by Jack Chick, and anti-rock and -rap rhetoric and censorship. Bivins depicts these fascinating and often troubling phenomena in vivid (sometimes lurid) detail and shows how they seek to shape evangelical cultural identity. As the "Religion of Fear" has developed since the 1960s, Bivins sees its message moving from a place of relative marginality to one of prominence. What does it say about American public life that such ideas of fearful religion and violent politics have become normalized? Addressing this question, Bivins establishes links and resonances between the cultural politics of evangelical pop, the activism of the New Christian Right, and the political exhaustion facing American democracy. Religion of Fear is a significant contribution to our understanding of the new shapes of political religion in the United States, of American evangelicalism, of the relation of religion and the media, and the link between religious pop culture and politics.

**Soul Harvest** Watkins Media Limited

Since its initial publication, *Critical Digital Studies* has proven an indispensable guide to understanding digitally mediated culture. Bringing together the leading scholars in this growing field, internationally renowned scholars Arthur and Marilouise Kroker present an innovative and interdisciplinary survey of the relationship between humanity and technology. The reader offers a study of our digital future, a means of understanding the world with new analytic tools and means of communication that are defining the twenty-first century. The second edition includes new essays on the impact of social networking technologies and new media. A new section - "New Digital Media" - presents important, new articles on topics including hacktivism in the age of digital power and the relationship between gaming and capitalism. The extraordinary range and depth of the first edition has been maintained in this new edition. *Critical Digital Studies* will continue to provide the leading edge to readers wanting to understand the complex intersection of digital culture and human knowledge.

**The Indwelling** Farrar, Straus and Giroux

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

*Soul Harvest* Upper Room Books

Aggie Piper is a HS senior and social outcaste doing her best to stay out of trouble, but trouble finds her. When her UFO researcher father stumbles into the biggest secret in the world her parents are kidnapped by an alien Life Force raider who is intent on stealing the world's soul energy. Aggie is forced to overcome Karnack's Soul Harvest. The fate of the world lies in Aggie's hands but she must tackle the deep state and overcome her own issues first. Thanks to Aggie, the world changes completely and not everyone is happy about it.

*Sophie's World* Tyndale House Publishers, Inc.

Everything was going fine ... until it wasn't. For Reverend Junius B. Dotson it took an actual breakdown during a funeral for him to realize he needed a reset. As he recalls his own journey through grief, depression, burnout, and emotional breakdown, Dotson is passionate about calling for a Soul Reset for pastors, church leaders, and all disciples of Jesus Christ. This is a 6-week churchwide study for everyone who moves at breakneck speed through their daily lives, often relying only on their own strength to bring God's kingdom on earth. Jesus shows us a different way, an easier, unforced rhythm of what kingdom work looks like. It's a balance of work, rest, play, worship, exercise, and eating well--spiritual practices that keep our souls hydrated and healthy as we do the work of the church in the world. Soul Reset:

Breakdown, Breakthrough, and the Journey to Wholeness includes a book; a DVD; downloadable video segments; age-level discussion guides for children, youth, and adults; sermon starters; and more. Soul Reset is a call for the church and all of Jesus' disciples to reset and reorder their lives around spiritual practices, to learn to walk through our difficult seasons with our souls connected to the source of Living Water so that we don't burn out or break down. And if we do burn out or break down, we learn to lift one another up and point one another back to Jesus. Introduction Chapter 1: Watch How I Do It - Jesus Chapter 2: Knocking on God's Door - David Chapter 3: It's Not All on Me - Mary and Martha Chapter 4: Eat Something - Elijah Chapter 5: Life in Crisis - Job Chapter 6: Living in the Light - Judas and Peter

**Rapture Culture** Tyndale House Publishers, Inc.

The 'Left Behind' series consist of novels that depict the rapture and apocalypse, with millions of copies in print. In 'Rapture Culture', Amy J. Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. The book draws on extensive interviews with readers of the novels.

**Grey Aliens and the Harvesting of Souls** Tyndale House Publishers

The New Brother's Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B. Jenkins, relating the story and the theological arguments of each book and then challenging those arguments. One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years. During that time people who have been left behind will have an opportunity to accept Christ as savior, but they will have to pass through the tribulation'a time of unimaginable horror with Satan ruling the world. At its end, Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon. After that Christ will establish an earthly kingdom lasting exactly 1000 years, during which Satan will be bound in the bottomless pit. Ultimately, the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil.

*Soul Harvest* Tyndale House Publishers, Inc.

Rayford Steele, an international fugitive, plans to assassinate the Antichrist, Nicolae Carpathia, who plans to make himself world ruler.
