One soul age is not

better than the other,  
only different. An  
infant soul is just as  
valid as an old soul. It  
can take between  
eighty to several  
hundred lifetimes  
(some souls take  
more, others less) to  
complete a  
reincarnation cycle

that includes the five  
soul age stages. The  
number of lifetimes,  
however, doesn't  
indicate a level of  
advancement.

Soul of the Age: The Life, Mind and World of William ...

A common misconception suggests that soul age is hierarchical.

Thus, being an old soul is prized above any of the other soul age stages, such as infant, baby, young, and mature. In short, nobody wants to be a young soul. But a young soul can be fully present and self-aware.

What Soul Age Are You?

LonerWolf

Soul age is a concept used to describe the experiences of soul growth and the development of a soul across lifetimes.

Unlike physical age... Soul age is not determined based on time, or how many incarnations your soul has had into the physical. Soul age is a highly personal description and way of tracking growth.
