The Archetype of the Story of Exodus provides a paradigm of spiritual development that includes spiritualized intellect symbolized by Moses. method of reasoning you are led to the brink of your mind in An Experience of God. There will be those who will no longer run from the fear, who will go into free fall, who will begin to trust the world more to be what it always has been and always will be -- God. The taboo against sensuousness, the indictment and conviction of Eros as evil, effectively puts us at odds with the entirety of our creation as the universe, since we know this creation only through our senses.

Dr. John Shackelford,

Christian psychologist,

wants to help you know

yourself. Your journey starts

with being honest about

your life and what you have

been through - the good and

the bad - and considering how it has affected you. He then offers three personality systems which have helped him and which can help you know yourself better: Myers-Briggs, ego states, and Enneagram. While there may be no one exactly like you, there are many people with whom you share personality traits. The Myers-Briggs has sixteen types. You will fit one of those. The Enneagram offers nine types. You will see yourself in one of these. The Enneagram adds value as it describes the deeper dynamics which limit you. This knowledge helps you move beyond your ingrained way of living life, i.e. your ego-life. Learning about yourself can be fun at times, and hard at times. You will come to see your strengths and weaknesses more clearly. Dr.

Shackelford also offers chapters on the ego, the False Self and the True Self. In your life you go through painful experiences where you flounder and fail (collapse of False Self). This life crisis, though difficult, can be a portal from your ego-run-life, to a healthy dependence on God, what the book refers to as a God-Led-Life. The author shares his own story of collapse and how he found God in a new way, despite being a Christian for years. Actually, knowing yourself better proves to be quite helpful in knowing God better and trusting Him to be the Lord of your life. In the second part of the book, Dr. Shackelford offers three chapters toward knowing God better: God's Gift, God's Will, and God's Desire. This can serve as a

foundation for beginning to "pursue God." The last section of the book is very personal. It is the story of six individuals who made a consistent effort to pursue God and journal their experiences. The reader can see how these six Christians moved from an Ego-Led-Life to a God-Led-Life. On this journey life becomes less about striving for love or significance, and more about knowing and following God/Jesus. As one's identity becomes secure in the unconditional love of Christ, the believer understands that life is not about what we can do for God, but about what He has done for us. This book was written to increase awareness of self and God, so that one may in humility accept the riches of knowing Christ in a intimate way. Following Him flows from

deep attachment, gratitude, and having learned to hear His voice. The reader may come to better understand St. Paul who said, "I have been crucified with Christ and I no longer live, but Christ lives in me. " Galatians 2:20 NIV.

Spirit-filled.

Prayer has an important role in the lives of believers. For some, however, prayer has become a chore almost something to be dreaded than eagerly anticipated. Some people get caught up in the "how much/how often" they pray. But it really is not about how many chapters of the Bible you read or how many minutes a day you pray. It is that you read the Bible and you pray. In *From Duty to Delight: Finding Greater Joy in Daily Prayer*, author Ron Parrish seeks to help you become a person who enjoys spending time in God's presence through prayer someone who finds such joy in devotion that you will lose track of time. *From Duty to Delight* is written for the

average person who struggles to set aside time for meaningful, focused interaction with God. If you feel badly about missing your devotions, if you quickly run out of things to say when you try to pray, if you sometimes find prayer boring, or if you have given up on trying to be a man or woman of prayer, *From Duty to Delight* can help you find your way to prayer that is fulfilling and that you can look forward to each day.
