[Sound Man by Glyn Johns - Goodreads](#)

Glyn Johns' sprawling memoir "Sound Man" is not aimed at the general public but it surely

is a must read for music lovers who care about and appreciate sound quality. Of course Johns has engineered and/or produced some of the greatest records of the rock era and worked with the artists who created them and it would have been easy enough to write a salacious and exploitive book recounting the craziness and debauchery he witnessed (especially since he was probably the only completely ...
