Born just outside London in 1942, Glyn Johns was 16 years old at the dawn of rock and roll. His big break as a producer came on the Steve Miller Band's debut album, Children of the Future. He went on to engineer or produce iconic albums for the best in the business, including Abbey Road with the Beatles.

Sound Man: A Life Recording Hits with The Rolling Stones ...

Glyn Johns worked with some of the greatest musicians of all time--The Rolling Stones, The Beatles, The Who, The Eagles, Eric Clapton, Bob Dylan, and on and on. So, it is very disappointing that his book didn't contain many interesting and illuminating stories about them. The book reads like an itinerary.

--Charlie Watts "Sound Man will make readers aware of the many sides of Glyn Johns, a giant of a man and one of my best friends from the moment we met in 1963 to present day. Apart from his genius behind the faders and success as the producer of myriad hits, his humor comes through here, together with his unflinching desire to do the very best work he could in the face of some frighteningly ...
