In 1914, the polar explorer Ernest Shackleton announced an ambitious plan to lead the first trek across Antarctica via the South Pole. The expedition would prove fraught with adventure—and peril. South is the remarkable tale of the ill-fated expedition, told in Shackleton's own words—breathtakingly illustrated in this unique edition with photography from the expedition, modern images of the Antarctic, and newly discovered photos from the Ross Sea Party. This handsome edition, first published in 2016, is presented in paperback to coincide with the 100th anniversary of the original publication and features images by expedition photographer Frank Hurley, modern color photography of the fauna and vistas the men encountered, as well as long-lost photos taken by the expedition's Ross Sea Party and discovered in 2013. The expedition's story begins on the eve of World War I, when the ship Endurance departed England with Shackleton and his team of six men. The plan was to travel 1,800 miles across the icy continent from the Atlantic side, while a second team aboard the Aurora, would reach Antarctica's Pacific side and lay out supply depots for the advancing team. As the Endurance approached the continent, however, it became hopelessly locked in an ice floe, beginning a series of harrowing travails. Today considered an adventure survival classic, South is the true story of a thrilling polar expedition. Never before has Shackleton's lively prose been so extensively and stunningly illustrated.

Discover the exhilarating true story of Ernest Shackleton's legendary Antarctic expedition Told through the words of the world's greatest living explorer, Sir Ranulph Fiennes - one of the only men to understand his experience first-hand . . . 'For anyone with a passion for polar exploration, this is a must read' NEW YORK TIMES 'THE definitive book on Shackleton and no one could have done it better . . . an authentic account by one of the few men who truly knows what it's like to challenge Antarctica' LORRAINE KELLY _____ In 1915, Sir Ernest Shackleton's attempt to be the first to traverse the Antarctic was cut short when his ship, Endurance, became trapped in ice. He and his crew should have died. Instead, through a long, dark winter, Shackleton fought back: enduring sub-zero temperatures, a perilous lifeboat journey across icy seas, and a murderous march over glaciers to seek help. Shackleton's epic trek is one of history's most enthralling adventures. But who was he? How did previous Antarctic expeditions and his rivalry with Captain Scott forge him? And what happened afterwards to the man many believed was invincible? In this astonishing account, Fiennes brings the story vividly to life in a book that is part celebration, part vindication and all adventure. _____ Fiennes makes a fine guide on voyage into Shackleton's world . . . What makes this book so engaging is the author's own storytelling skills' Irish Independent 'Fiennes relates these tales of exploration and survival, adding insight to Shackleton's journeys unlike any other biographer' Radio Times Praise for Sir Ranulph Fiennes: 'The World's Greatest Living Explorer' Guinness Book of Records 'Full of awe-inspiring details of

hardship, resolve and weather that defies belief, told by someone of unique authority. No one is more tailor-made to tell [this] story than Sir Ranulph Fiennes' Newsday 'Fiennes' own experiences certainly allow him to write vividly and with empathy of the hell that the men went through' Sunday Times 'Fiennes brings the promised perspective of one who has been there, illuminating Shackleton's actions by comparing them with his own. Beginners to the Heroic Age will enjoy this volume, as will serious polar adventurers seeking advice. For all readers, it's a tremendous story' Sara Wheeler, The Wall Street Journal

Unabridged (100% Original content) Font adjustments & biography included Illustrated About South: The Story of Shackleton's 1914-1917 Expedition by Sir Ernest Henry Shackleton Sir Ernest Henry Shackleton CVO OBE, was one of the principal figures of the period known as the Heroic Age of Antarctic Exploration. His first experience of the polar regions was as third officer on Captain Scott's Discovery Expedition, 1901-04, from which he was sent home early on health grounds. Determined to make amends for this perceived personal failure, he returned to Antarctica in 1907 as leader of the Nimrod Expedition. In January 1909 he and three companions made a southern march which established a record Farthest South latitude at 88 ° 23'S, 97 geographical miles (114 statute miles, 190 km) from the South Pole, by far the closest convergence in exploration history up to that time.

Experience one of the greatest adventure stories of the modern age in this New York Times bestseller: the harrowing tale of British explorer Ernest Shackleton's 1914 attempt to reach the South Pole. In August 1914, polar explorer Ernest Shackleton boarded the Endurance and set sail for Antarctica, where he planned to cross the last uncharted continent on foot. In January 1915, after battling its way through a thousand miles of pack ice and only a day's sail short of its destination, the Endurance became locked in an island of ice. Thus began the legendary ordeal of Shackleton and his crew of twenty-seven men. When their ship was finally crushed between two ice floes, they attempted a near-impossible journey over 850 miles of the South Atlantic's heaviest seas to the closest outpost of civilization. With an introduction by Nathaniel Philbrick, Endurance is the definitive account of Ernest Shackleton's fateful trip. Alfred Lansing brilliantly narrates the

gripping and miraculous voyage that has defined heroism for the modern age.

Ernest Shackleton led two Antarctic expeditions, and died shortly after the beginning of the third. His expedition ship Endurance was trapped, then crushed in the ice, before his party could be landed, leaving his men in a hopeless situation. For months Shackleton held his party together before taking to boats and bringing everyone to safety.

[The South Polar Times Penguin](#)

Adventure, shipwreck, storms and survival on the high seas. ENDURANCE is the story of one of the most astonishing feats of exploration and human courage ever recorded. In 1914 Sir Ernest Shackleton and a crew of 27 men set sail for the South Atlantic on board a ship called the Endurance. The object of the expedition was to cross the Antarctic overland. In October 1915, still half a continent away from their intended base, the ship was trapped, then crushed in ice. For five months Shackleton and his men, drifting on ice packs, were castaways on one of the most savage regions of the world. This utterly gripping book, based on first-hand accounts of crew members and interviews with survivors, describes how the men survived, how they lived together in camps on the ice for 17 months until they reached land, how they were attacked by sea leopards, the diseases which they developed, and the indefatigability of the men and their lasting civility towards one another in the most adverse conditions conceivable.

Shackleton Great Waters Press

Ernest H. Shackleton war ein britischer Polarforscher zu Zeiten des sogenannten Goldenen Zeitalters der Antarktisforschung in der Zeit um das 19. Jahrhundert. Im Jahre 1914 brach Shackleton mit dem Schiff 'Endurance' und einer 28-köpfigen Crew auf, mit dem Ziel, als erster die Antarktis zu durchqueren und zu ergründen. Die Reise wurde jedoch gestoppt, als die 'Endurance' auf Treibeis stieß und eingeschlossen wurde. Nach einiger Zeit des Hoffens musste die Mannschaft das Schiff zur ücklassen und sich auf die Überwinterung auf dem Eis vorbereiten. Es folgten Monate, in denen sie um ihr Überleben kämpfen mussten und in denen Shackleton seine selbstlosen Qualitäten als Kapitän unter Beweis stellte. Dieses Buch erzählt auf packende Art und Weise die Geschichte der tapferen Männer in der Antarktis. Nachdruck der Originalausgabe.

About The Story of Shackleton's 1914-1917 Expedition by Sir Ernest Shackleton In 1914 Ernest Shackleton and a crew of 27 stalwart individuals attempted to undertake what Shackleton described as "the one remaining great object of Antarctic journeying"-crossing the continent on foot from the Weddell Sea to the Ross Sea via the South Pole. While disaster famously beset the Endurance expedition, Shackleton, through extraordinary leadership and dogged, relentless effort, lost none of his men; all were saved in 1916. The legendary tale of how he accomplished this is still taught in the best military and business schools on the planet. "South!" is the story of the doomed expedition, straight from the man who led it-Sir Ernest Shackleton.

South Knopf Books for Young Readers

"I think that though failure in the actual accomplishment must be recorded, there are chapters in this book of high adventure, strenuous days, lonely nights, unique experiences, and above all, records of unflinching determination, supreme loyalty and generous self-sacrifice on the part of my men which ... still will be of interest to readers who now turn gladly from the red horror of war ... to read ... the tale of the White Warfare of the South." - Ernest Shackleton, 1919

South! Courier Dover Publications

South: the story of Shackleton's last expedition 1914-1917 By Sir Ernest . Shackleton C.V.O Account of the Imperial Trans-Antarctic Expedition attempted by Sir Ernest Shackleton and his crew. The goal of making the first land crossing of the Antarctic Continent was never reached. Instead, the Endurance, Shackleton's ship, got trapped in pack ice, and Shackleton's new aim was to rescue all his crew members, in which he finally succeeded. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

South Good Press

This book is considered one of the great books of exploration, about what Shackleton himself called the last great journey on earth. The book tells of the author's Antarctic expedition in which the Endurance was crushed by the ice, and he and his men made a 600-mile trek across ice and ocean to solid land, and then a 700-mile journey in an open boat to South Georgia, followed by an epic crossing of the uncharted mountains of that island.

South! Tredition Classics

"South! The Story of Shackleton's Last Expedition, 1914-1917" is the first hand account of the Imperial Trans-Antarctic Expedition written by the Expedition leader Ernest Shackleton. Also known as the Endurance Expedition, this is considered the last major expedition of the Heroic Age of Antarctic Exploration. Conceived by Sir Ernest Shackleton, the expedition was an attempt to make the first land crossing of the Antarctic continent. The expedition failed to accomplish this objective, but became recognized instead as an epic feat of endurance.
