Peter Linehan. Spain, 1157 – 1300: A Partible Inheritance ...
Spain 1157-1300 examines this fascinating period of medieval history, focussing on the reign of Alfonso the Learned - the ruler of Castile who ultimately failed in his attempt to bring Spain into Europe - and his Aragonese contemporaries in the Mediterranean. While questioning the assumption that the history of this period foreshadowed the unified Spain of the still far-distant Golden Age, Spain 1157-1312 draws on a vast body of primary and secondary source material to provide a balanced ...

[Book] Spain 1157 1300 A Partible Inheritance A History Of ...
Spain between 1157 and 1300 was a large land of mostly small places. The domus municipalis of Bragança, a place within our area until shortly before the beginning of our period, and an example of the sort of democratic gathering place distributed along the frontier where the clergy of Sepúlveda came together to harry their bishop up hill and down dale, measures just seventeen paces across from corner to corner.

Spain 1157 1300 A Partible Inheritance A History Of Spain
Spain, 1157 – 1300: A Partible Inheritance As the author of a survey of Spanish history in the late twelfth and early thirteenth centuries, Peter Linehan is a natural choice. His expertise in both the history and the historiography of that period provides a complex, multifaceted perspective on an era that demands nothing less.
