Asi se dice! Level 2, Student Edition McGraw-Hill Education
A "colorful family saga" set against the dramatic historical backdrop of twentieth-century Puerto Rico, from an author nominated for the National Book Award (Kirkus Reviews). Elvira Vernet narrates Eccentric Neighborhoods as she attempts to solve the mystery of who her parents truly are. Her mother, the beautiful and aristocratic Clarissa Rivas de Santillana, was born into a rarefied world of privilege, one of five daughters on the family's sugar plantation. Elvira's father, Aurelio Vernet, and his three brothers and two sisters were raised by Santiago, a Cuban immigrant who ruled his family with an iron hand. As Puerto Rico struggles for independence—and Aurelio takes his place among the powerful political gentry—a legacy of violence, infidelity, faith, and sacrifice is born. Set against the backdrop of a country coming of age, Eccentric Neighborhoods is a lush, transcendent novel, a family saga about mothers and daughters, husbands and wives, parents and children. In this magnificent follow-up to The House on the Lagoon, Rosario Ferré delivers a work of historical fiction influenced by magical realism and infused with forgiveness and love. Viva! 2e Se + Supersite and Maestro Websam Carson-Dellosa Publishing McGraw-Hill World Languages is pleased to include Repaso (which was originally published by the National Textbook Company) among our titles for the Intermediate Spanish course. This single volume textbook, now in its second edition, provides a comprehensive grammar review. Ideal as a stand-alone text for intermediate grammar review courses or used in conjunction with a separate literary or cultural reader, Repaso reviews and refines students' knowledge of Spanish grammar; it is also suitable as a grammar reference for students at all levels.

"Live Jesus in Our Hearts" is a prayer said daily by Lasallians all over the world. Our new high school religion curriculum reflects this prayer, and our mission—that every young person would invite Jesus' presence into their hearts. We sought to begin answering the needs of today's youth, in a generation where the spiritual and religious landscape has shifted dramatically. Jesus Christ and the New Testament is the second semester course in the new high school series Live Jesus in Our Hearts. This series

takes a fresh approach to the Framework outline, bringing in new themes such as in-depth use of scripture, extensive online resources, and an invitational, evangelizing approach. Jesus Christ and the New Testament is a New Testament overview that includes all the required Framework content related to Jesus Christ. Used with Revelation and the Old Testament, you can now teach an overview of the Bible in freshman year using a Framework approved curriculum! Plus, help students connect using: Short stories about young people that relate a teaching or belief to a young person's lived experience. Focus questions introduce each unit in the voice of a teen, guiding students in focusing on what they might learn; units end with an image of a real student and his or her reflections on the unit focus question, inviting the students to check their own understanding. A Unit Highlights section that uses graphic organizers to visually represent the key concepts from each chapter "Hmmm" questions at the end of each article that encourage students to think critically about Christian beliefs. A full page visual feature at the end of each chapter that engages students to reflect on the chapter content in a unique way.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. The World Water Development Report 2003 pointed out the extensive problem that: 'Sadly, the tragedy of the water crisis is not simply a result of lack of water but is, essentially, one of poor water governance.' Cross-sectional and historical intra-national and international comparisons have been recognized as a valuable method of study in different sectors of human life, including technologies and governance. Environmental History of Water fills this gap, with its main focus being on water and sanitation services and their evolution. Altogether 34 authors have written 30 chapters for this multidisciplinary book which divides into four chronological parts, from ancient cultures to the challenges of the 21st century, each with its introduction and conclusions written by the editors. The authors represent such disciplines as history of technology, history of public health, public policy, development studies, sociology, engineering and management sciences. This book emphasizes that the history of water and sanitation services is strongly linked to current water management and policy issues, as well as future implications. Geographically the book consists of local cases from all inhabited continents. The key penetrating themes of the book include especially population growth, health, water consumption, technological choices and governance. There is great need for general, long-term analysis at the global level. Lessons learned from earlier societies help us to understand the present crisis and challenges. This new book, Environmental History of Water, provides this analysis by studying these lessons.
