Workbook in Spanish Two Years Henry Holt and Company (BYR)

Zitlally's family is undocumented, and her father has just been arrested for speeding and deported back to Mexico. As her family waits for him to return—they've paid a coyote to guide him back across the border—they receive news that he and the coyote's other charges have been kidnapped and are being held for ransom. Meanwhile, Zitlally and a new friend find a dog in the forest near their trailer park. They name it Star for the star-shaped patch over its eye. As time goes on, Zitlally starts to realize that Star is her father's "spirit animal," and that as long as Star is safe, her father will be also. But what will happen to Zitlally's dad when Star disappears? "A vibrant, large-hearted story."—Publishers Weekly, Starred (on Red Glass)

While many professional translators believe the ability to translate is a gift that one either has or does not have, Allison Beeby Lonsdale questions this view. In her innovative book, she demonstrates how teachers can guide their students by showing them how insights from communication theory, discourse analysis, pragmatics, and semiotics can illuminate the translation process. Using Spanish to English translation as her example, she presents the basic principles of translation through 29 teaching units, which are prefaced by objectives, tasks, and commentaries for the teacher, and through 48 task sheets, which show how to present the material to students.

REALIDADES LEVELED VOCABULARY and GRMR WORKBOOK (CORE and GUIDED PRACTICE)LEVEL 2 COPYRIGHT 2011 Springer Science & Business Media

Drawing on confidential Argentinian documents and memoranda, Behind the Disappearances documents a seven-year diplomatic war by one of the twentieth century's most brutal regimes. It relates how, starting in 1976, Argentina's military government tried to cripple the UN's human rights machinery in an effort to prevent international condemnation of its policy of disappearances. Initially this attempt succeeded, but in 1980—with encouragement from the Carter administration—UN officials regained the initiative and created a special working group on disappearances that rejuvenated the UN's efforts. This progress was abruptly halted in 1981 when the Reagan administration sided with the Argentinian regime. The result, claims the author, not only undercut the UN's actions against disappearances but also weakened its chances of playing a positive role in aiding Latin America's transition from dictatorship to democracy.
