Famous Quotes for Life and Happiness Crown Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In Ditch That Textbook, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. Ditch That Textbook is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

¿Por qué? 101 Questions about Spanish is for anyone who wants to understand how Spanish really works. Standard textbooks and grammars describe the "what" of Spanish - its vocabulary, grammar, spelling, and pronunciation - but ¿Por qué? explains the "why". Judy Hochberg draws on linguistic principles, Hispanic culture, and language history to answer questions such as: Why are so many Spanish verbs irregular? - Why does Spanish have

different ways to say "you"? - Why is h silent? - Why doesn't Spanish use apostrophes? - Why does Castilian Spanish have the th sound? Packed with information, guidance, and links to further research, ¿Por qué? is an accessible study guide that is suitable for Spanish students, instructors, native speakers, and the general reader. It is a valuable supplementary text for serious students of Spanish at all levels, from beginning to advanced. ¿Por qué? also covers topics usually left to specialized books, including the evolution of Spanish, how children and adults learn Spanish, and the status of languages that co-exist with Spanish, from Catalan to Spanish sign language to the indigenous languages of Latin America.

Students learning modern foreign languages often comment that it is just too hard to learn, and remember, all of vocabulary presented to them. Yes, there is a lot of content that needs to be covered, and a lot of vocabulary that needs to be learned. But there is a way of making this process engaging and motivating. Language lessons needn't be full of grammar worksheets, endless drilling and rote learning lists of vocabulary. Learning languages isn't always fun and games. But these aren't games; they are fun learning activities. And they can help revolutionise language teaching; enabling teachers to authoritatively impart knowledge while fostering a thirst for knowledge and love of learning in their students. First, the Vocab Fun Learning Activities (VFLAs) learn the vocabulary in ways which will improve recognition and recall. Then, the Fun Learning Activities use this vocabulary knowledge to build sentences and paragraphs; explore and use this language while keeping the whole class engaged and actively learning. The activities are designed to encourage all students to participate and learn more through enjoyment. Based on the author's extensive classroom experience, and underpinned by research into how students learn best, each activity comes complete with a detailed explanation and plenty of ideas for variations, differentiations and extensions. The activities come with example vocabulary lists in French, German and Spanish as a starting point, which are all available for download via a link provided in the book. However, the activities will work effectively in any language and with any vocabulary list of the teacher's choosing, and can be adapted to suit every topic, learning objective and age range. Discover ready to use activities which will make for outstanding lessons in every class and ensure engagement, motivation, rapport, progress and attainment over time.
