Chapter 4:

Nouns and Articles
Chapter 5: Pronouns
Chapter 6: Verbs
Chapter 7: Adjectives
Chapter 8: Prepositions, Adverbs, and Conjunctions
Chapter 9: Forming sentences
Chapter 10: The Subjunctive & Imperative Mood
Chapter 11: Making comparisons
Chapter 12: Conversational phrases
And much more! Here's what you'll learn from the Spanish Short Stories:

The Spanish language is rich, full of small differences between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don ' t worry, with this book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with any Spanish speaker. In this book, I will give you 20 short stories that will range from science fiction to romance, everything in between and sometimes even more. These stories will give you an entire picture of the Spanish language, and how to appreciate the subtlety of the language. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the small assignments that you will be given (don ' t worry, they won ' t be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. All these stories are written from my heart, and I deeply

hope that you will find them funny, mysterious, romantic, or at least entertaining. Here's what you'll learn from the Spanish Language Lessons book: Traveling in Spanish countries can be hard. Believe me, I ' m a frequent traveler, and I ' ve been all around the world. I ' ve been in Europe, Asia, and South America, and I have to say that of all the places that I ' ve been, I ' ve never found more caring and lovely people than in Spanish countries. Maybe it is their past, maybe is their language, but they are always available to give you a hand, talk to you, have fun, grab a drink, and generally have a good time. But the language barrier might be hard. You might find yourself trying to say something, and the interlocutor understanding another thing entirely. It might be quite frustrating, and then you end up using your fingers or pointing to what you want, and to be honest, it ' s quite ridiculous and a bit childish. That ' s why I ' m writing this book, to help you on your travels, so if you want to take a trip to a Spanish Country, you won ' t find it hard to express yourself. And I will not just explain you some phrases in Spanish to ease your life in your trip, I will also teach the

differences between countries, and how to travel from one place to another. So, if you were planning a trip, or maybe you are already in one and found yourself in a problem, this is the book for you. I hope it helps you with anything that might arise on your trip. get your copy today

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “ A brilliant and thoroughly modern guide to learning new languages. ” —Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn ’ t learn them in

school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he ’ s discovered. Starting with pronunciation, you ’ ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You ’ ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you ’ ll begin

to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you ' ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable

Have you always wanted to learn how to speak Spanish but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely

to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If you want to learn complicated grammar rules, or to speak

perfectly proper and precise Spanish, this book is not for you. However, if you need to actually hold a conversation while on a trip to a Spanish-speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what 's most important is actually being able to understand and be

understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method ' s revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible.
