Written for intermediate students taking Spanish on a high school or college level, this book can be used in the classroom as a main text or as a textbook supplement. It covers every aspect of Spanish grammar and correct usage, beginning with verbs and analyzing verb tenses, the passive voice, reflexive verbs, verb usage in the subjunctive mood, imperative command verb forms, and uses of verb infinitives. The book's subsequent sections cover nouns, modifiers, and the other parts of speech, with discussion of various interrogative forms, words that express negation, feminine forms, demonstratives and possessives, pronouns, diminutive and augmentative word formations, and more. Contemporary idioms are interspersed throughout the text, and the book's many exercises give students plenty of solid practice. Cartoon illustrations throughout the book help to demonstrate points of Spanish grammar.

Have you always wanted to learn how to speak Spanish but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary methods that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Spanish, this book is not for you. However, if you

need to actually hold a conversation while on a trip to a Spanish-speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Spanish Quick and Easy*, all you need are fifty-three pages. Learn Spanish today, not tomorrow, and get started now!
