Census
Spanish Language Style Guides are resources for government employees, translators, and communications professionals who work with the government to improve the way we communicate with the public in Spanish. The guide contains information on grammar and style issues as

well as glossaries to standardize the use of Spanish across government.

Language Guides (Print) -

Census.gov

Most Spanish pronunciation guides are really only about pronunciation rules for the language. They tend to fall short of teaching you how to actually hear and pronounce said sounds. Here at The Mimic Method, we think this latter part is even more important than just recognizing the location of a sound in word spelling.
