*Barron's Regents Exams and Answers*

Anchor

Arlene Dávila brilliantly considers the cultural politics of urban space in this lively exploration of Puerto Rican and Latino experience in New York, the global center of culture and consumption, where Latinos are now the biggest minority group.

Analyzing the simultaneous gentrification and Latinization of what is known as El Barrio or Spanish Harlem, *Barrio Dreams* makes a compelling case that—despite neoliberalism's race-and ethnicity-free tenets—dreams of economic empowerment are never devoid of distinct racial and ethnic considerations. Dávila scrutinizes dramatic shifts in housing, the growth of charter schools, and the enactment of

Empowerment Zone legislation that promises upward mobility and empowerment while shutting out many longtime residents.

Foregrounding privatization and consumption, she offers an innovative look at the marketing of Latino space. She emphasizes class among Latinos while touching on black-Latino and Mexican-Puerto Rican relations. Providing a unique multifaceted view of the place of Latinos in the changing urban landscape, *Barrio Dreams* is one of the most nuanced and original examinations of the complex social and economic forces shaping our cities today.

Spanish Power Pack Barrons Educational Series

In the wake of recent federal legislation entitled No Child Left Behind, high-stakes standardized testing for accountability purposes is being emphasized in educational systems across the U.S. for all students —

including English Language Learners (ELLs).

Yet language proficiency mediates test performance, so ELLs typically receive scores far below those of other students. This book explores how tests have become de facto language policy in schools, shaping what is taught in school, how it is taught, and in what language(s) it is taught. In New York City, while most schools responded to testing by increasing the amount of English instruction offered to ELLs, a few schools have preserved native language instruction instead. Moreover, this research documents how tests are a defining force in the daily lives of ELLs and the educators who serve them.

**#1 NEW YORK TIMES BESTSELLER** • “ A big sweeping novel of friendship and marriage ” (The Washington Post) by the celebrated author of *The Prince of Tides* and *The Great Santini*. Leopold Bloom King has been raised in a family shattered—and shadowed—by tragedy. Lonely and adrift, he searches for something to sustain him and finds it among a tightly knit group of outsiders. Surviving marriages happy and troubled, unrequited loves and unspoken longings, hard-won successes and devastating breakdowns, as well as Charleston, South Carolina ’ s dark legacy of racism and class divisions, these friends will endure until a final test forces them to face something none of them are prepared for. Spanning two turbulent decades, *South of Broad* is Pat Conroy at his finest: a masterpiece from a great American writer whose passion for life and language knows no bounds.

“ Praise for *South of Broad* ” —Vintage Pat Conroy . . . a big sweeping novel of friendship and marriage. ” —The Washington Post “ Conroy remains a magician of the page. ” —The New York Times Book Review “ Richly imagined . . . These characters are gallant in the grand old-fashioned sense, devoted to one another and to home. That siren song of place has never sounded so sweet. ” —New Orleans Times-Picayune “ A lavish, no-holds-barred performance. ” —The Atlanta Journal-Constitution “ A lovely, often thrilling story. ” —The Dallas Morning News “ A pleasure to read . . . a must for Conroy ’ s fans. ” —Associated Press

Princeton Review

**NATIONAL BESTSELLER** • Julia's story of her transformative years in France in her own words is "captivating ... her marvelously distinctive voice is present on every page. " (San Francisco Chronicle). Although she would later singlehandedly create a new approach to American cuisine with her cookbook *Mastering the Art of French Cooking* and her television show *The French Chef*, Julia Child was not always a master chef. Indeed, when she first arrived in France in 1948 with her husband, Paul, who was to work for the USIS, she spoke no French and knew nothing about the country itself. But as she dove into French culture, buying food at local markets and taking classes at the Cordon Bleu, her life changed forever with her newfound passion for cooking and teaching. Julia ' s unforgettable story—struggles with the head of the Cordon Bleu, rejections from publishers to whom she sent her now-famous cookbook, a wonderful, nearly fifty-year long marriage that took the Childs across the

---

globe—unfolds with the spirit so key to Julia ’ s success as a chef and a writer, brilliantly capturing one of America ’ s most endearing personalities.
