Learning French from Spanish and Spanish from French provides adult English speakers who have learned either Spanish or French as a second language with the tools to learn the other as a third language. Research in the growing fields of third-language acquisition and multilingualism documents how successful language learners intuitively build on their existing knowledge as they learn a new language. In this vein, Learning French from Spanish and Spanish from French takes advantage of the fact that learners with intermediate proficiency in a second language are used to thinking consciously about language, know themselves as language learners, and can capitalize on what they know about one language to understand the other. With chapters conveniently organized by grammatical concept and including supplementary resources such as exercises, parallel reading texts, and audio files, this book will benefit students, travelers, and budding multilinguals alike.

What is keeping so many of us, and so many of our parishes, from becoming powerhouses of faith and evangelization is that we don't have a living relationship with Christ that transforms us into intentional disciples. Forming Intentional Disciples: The Path to Knowing and Following Jesus (Our Sunday Visitor, 2012) has become one of the most talked-about books of the decade in Catholic parishes across the country. Written by Sherry Weddell, co-founder and co-director of the Catherine of Siena Institute, Forming Intentional Disciples takes a cleareyed look at the state of the Church today. Based on more than a decade of research with Catholics from across the country, the issues and opportunities in this book connect seamlessly with Pope Francis' call for evangelization as we open wide the doors of faith! Now the book that is changing hearts has a study guide that will help you change your parish or small faith community. Created by people who have experienced the transformative impact of discipleship firsthand, the Forming Intentional Disciples Study Guide provides tools and resources to "break the silence," initiate conversations, share the story of faith, and begin walking the path of discipleship together. A coherent, forceful, and compelling case for God and the Church founded by Jesus of Nazareth. This is a remarkable achievement of solid, factual, information that is loaded with ammunition for the new evangelization. Contains colorful vignettes of historic moments alternating with sustained argument. Marks challenges the reader to set aside long-held assumptions and prejudices. Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God. His followers converted an entire empire without resort to violence, and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition. These hard, cold facts are presented here with copious notes for easy identification of persons, events, or doctrines that may be unfamiliar. The reader will also find a detailed index and useful appendices.
