I used this Spanish  
3-year workbook  
when I was in high  
school. While I  
won't date myself,  
it's been several  
years. I recently  
bought this  
workbook for an  
advanced Spanish  
native-speaker  
whom I am tutoring  
after researching  
other options. I will  
still consider it one  
of the best around.

Years 1 to 3 are available in two different formats Workbook Format. These consumable worktexts provide write-on lines for student practice and comprehension. Review Text Format. These 6" x 9" Review Texts are designed for ease of study and reference in a proficiency-oriented communicative approach. Spanish Four Years: Advanced Spanish With AP ... Spanish Textbooks :: Homework Help and Answers :: Slader This workbook covers grammar, verbs, history, and culture of Spanish speaking countries. The exercises are

thorough. The reason I'm not giving it 5 stars is because there is no answer key, and therefore is practically impossible to use for self-study. I called the publisher and begged for the answer key but got nowhere with them.
