Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, The Fountainhead and Atlas Shrugged. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

From a leading journalist and activist comes a brave, beautifully wrought memoir. When Darnell Moore was fourteen, three boys from his neighborhood tried to set him on fire. They cornered him while he was walking home from school, harassed him because they thought he was gay, and poured a jug of gasoline on him. He escaped, but just barely. It wasn't the last time he would face death. Three decades later, Moore is an award-winning writer, a leading Black Lives Matter activist, and an advocate for justice and liberation. In No Ashes in the Fire, he shares the journey taken by that scared, bullied teenager who not only survived, but found his calling. Moore's transcendence over the myriad forces of repression that faced him is a testament to the grace and care of the people who loved him, and to his hometown, Camden, NJ, scarred and ignored but brimming with life. Moore reminds us that liberation is possible if we commit ourselves to fighting for it, and if we dream and create futures where those who survive on society's edges can thrive. No Ashes in the Fire is a story of beauty and hope—and an honest reckoning with family, with place, and with what it means to be free. An adventurous story of a frontier boy raised by Indians, The Light in the Forest is a beloved American classic. When John Cameron Butler was a child, he was captured in a raid on the

Pennsylvania frontier and adopted by the great warrior Cuyloga. Renamed True Son, he came to think of himself as fully Indian. But eleven years later his tribe, the Lenni Lenape, has signed a treaty with the white men and agreed to return their captives, including fifteen-year-old True Son. Now he must go back to the family he has forgotten, whose language is no longer his, and whose ways of dress and behavior are as strange to him as the ways of the forest are to them.

"Fifteen years after its first publication, *Spider Eaters* remains my go-to memoir about coming of age during the Mao years. Rae Yang's work is notable for its reflectiveness, complexity, psychological insight, and unflinching honesty. I commend this riveting work to a generation of readers for whom the cultural Revolution is now of 'merely' historical interest."—Gail Hershatter, University of California, Santa Cruz "By oscillating between scenes that are bland in their matter-of-fact concreteness and ones that are almost unbelievable in their nightmarish cruelty and complexity, Rae Yang skillfully evokes the bizarre and contradictory 'revolutionary' world in which she grew up in Mao's China. *Spider Eaters* is a reminder of what a traumatic history the Chinese people have undergone this century and that a country's past—even when many would rather forget it—always lives irrevocably on within those who experienced it."—Orville Schell, author of *Mandate of Heaven* "How can we expect anyone to know the United States without understanding the effect the Sixties had on all of us? Similarly, how can we know China without comprehending the impact the Sixties and the Cultural Revolution had on its politics, culture, and people? Rae Yang's *Spider Eaters* goes far in building that understanding. It is a gripping memoir."—Lisa See, author of *On Gold Mountain*

The final novel of one of America's most beloved writers—a tale of degeneration, corruption, and spiritual crisis A Penguin Classic In awarding John Steinbeck the 1962 Nobel Prize in Literature, the Nobel committee stated that with *The Winter of Our Discontent*, he had "resumed his position as an independent expounder of the truth, with an unbiased instinct for what is

genuinely American." Ethan Allen Hawley, the protagonist of Steinbeck's last novel, works as a clerk in a grocery store that his family once owned. With Ethan no longer a member of Long Island's aristocratic class, his wife is restless, and his teenage children are hungry for the tantalizing material comforts he cannot provide. Then one day, in a moment of moral crisis, Ethan decides to take a holiday from his own scrupulous standards. Set in Steinbeck's contemporary 1960 America, the novel explores the tenuous line between private and public honesty, and today ranks alongside his most acclaimed works of penetrating insight into the American condition. This Penguin Classics edition features an introduction and notes by leading Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

New York Times Bestseller Winner of the Women's Prize for Fiction World Fantasy Awards Finalist From the New York Times bestselling author of *Jonathan Strange & Mr Norrell*, an intoxicating, hypnotic new novel set in a dreamlike alternative reality. Piranesi's house is no ordinary building: its rooms are infinite, its corridors endless, its walls are lined with thousands upon thousands of statues, each one different from all the others. Within the labyrinth of halls an ocean is imprisoned; waves thunder up staircases, rooms are flooded in an instant. But Piranesi is not afraid; he understands the tides as he understands the pattern of the labyrinth itself. He lives to explore the house. There is one other person in the house—a man called The Other, who visits Piranesi twice a week and asks for help with research into A Great and Secret Knowledge. But as Piranesi explores, evidence emerges of another person, and a terrible truth begins to unravel, revealing a world beyond the one Piranesi has always known. For

*The Red and the Black* Stendhal - First published in 1830, *The Red and the Black*, is widely considered the masterpiece of 19th century French author Marie-Henri Beyle, known more commonly by his pen name, Stendahl. It follows the ambitions of Julien Sorel, a young man raised in the French countryside who wishes to rise above his provincial station by climbing the social ranks of Parisian society. Through a series of events, Julien's talent and hard work give way to deception and hypocrisy when he realizes the limitations for advancement of a sincere and honest man of humble origins. Although Julien achieves much which he aspires to, ultimately his pride gets the better of him when he commits a violent crime of passion, leading to his tragic downfall. Through the deep psychological introspection of Julien we see Stendhal's unique literary genius, the remarkable way in which he allows readers to live in the minds of his characters. Set against the backdrop of the July Revolution of 1830, *The Red and the Black* is a narrative which embodies the rich social conflict of that time. This edition is translated with an introduction by Horace B. Samuel.
