In 72 B.C., in the heart of Rome's Mediterranean empire, a slave named Spartacus ignited one of the most violent episodes of slave resistance in the history of the Roman Empire - indeed in the world annals of slavery. This volume organizes original translations of 80 Greek and Latin sources into topical chapters that look at the daily lives of slaves trained as gladiators and those who labored on farms in Italy and Sicily, including accounts of revolts that preceded and anticipated that of Spartacus. In a carefully crafted introductory essay, Shaw places Spartacus in the broader context of first and second century B.C. Rome, Italy and Sicily and explains why his story continues to be a popular symbol of rebellion today. The volume also includes a glossary, chronology, selected bibliography, three maps, an annotated list of ancient writers, and questions for consideration.

_____ The dramatic climax to Ben Kane's Forgotten Legion Trilogy Having survived the perils of a journey across half the world, Romulus and Tarquinius are press-ganged into the legions, which are under imminent threat of annihilation by the Egyptians. Meanwhile in Rome, Romulus's twin sister Fabiola lives in fear for her life, loved by Brutus, but wooed by Marcus Antonius, his deadly enemy. Soon after, Romulus fights at Zela, the vicious battle where Caesar famously said, 'Veni, vidi, vici'. Tarquinius, separated from Romulus in the chaos of war, hides in Alexandria, searching for guidance. But mortal danger awaits them both. From the battlefields of Asia Minor and North Africa, to the lawless streets of Rome and the gladiator arena, they face death daily, until on the Ides of March, the twins are reunited and must decide either to back or to betray Caesar on his day of destiny.

The Book of Five Rings is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643.Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.

Spartacus and His Glorious Gladiators HarperCollins

This volume reinvigorates the field of Classical Reception by investigating present-day culture, society, and politics, particularly gender, gender roles, and filmic constructions of masculinity and femininity which shape and are shaped by interacting economic, political, and ideological practices.

Spartacus: Rebellion Open Road Media

In this revolutionary book, a renowned computer scientist explains the importance of teaching children the basics of computing and how it can prepare them to succeed in the ever-evolving tech world. Computers have completely changed the way we teach children. We have Mindstorms to thank for that. In this book, pioneering computer scientist Seymour Papert uses the invention of LOGO, the first child-friendly programming language, to make the case for the value of teaching children with computers. Papert argues that children are more than capable of mastering computers, and that teaching computational processes like de-bugging in the classroom can change the way we learn everything else. He also shows that schools saturated with technology can actually improve socialization and interaction among students and between students and teachers. Technology changes every day, but the basic ways that computers can help us learn remain. For thousands of teachers and parents who have sought creative ways to help children learn with computers, Mindstorms is their bible.

Everybody knows that Spartacus was a great gladiator and enjoyed giving the Romans the run-around. But in this book readers will discover fascinating facts that they didn't know, such as how Spartacus fought for the Romans as well as against them, and once camped his army of rebel slaves inside a volcano. Everything you ever wanted to know about the man with the free slave army.

[Frederick Douglass](#) Routledge

The Spartacus War is the extraordinary story of the most famous slave rebellion in the ancient world, the fascinating true story behind a legend that has been the inspiration for novelists, filmmakers, and revolutionaries for 2,000 years. Starting with only seventy-four men, a gladiator named Spartacus incited a rebellion that threatened Rome itself. With his fellow gladiators, Spartacus built an army of 60,000 soldiers and controlled the southern Italian countryside. A charismatic leader, he used religion to win support. An ex-soldier in the Roman army, Spartacus excelled in combat. He defeated nine Roman armies and kept Rome at bay for two years before he was defeated. After his final battle, 6,000 of his followers were captured and crucified along Rome's main southern highway. The Spartacus War is the dramatic and factual account of one of history's great rebellions. Spartacus was beaten by a Roman general, Crassus, who had learned how to defeat an insurgency. But the rebels were partly to blame for their failure. Their army was large and often undisciplined; the many ethnic groups within it frequently quarreled over leadership. No single leader, not even Spartacus, could keep them all in line. And when faced with a choice between escaping to freedom and looting, the rebels chose wealth over liberty, risking an eventual confrontation with Rome's most powerful forces. The result of years of research, The Spartacus War is based not only on written documents but also on archaeological evidence, historical reconstruction, and the author's extensive travels in the Italian countryside that Spartacus once conquered.

Big Screen Rome Macmillan

The Gladiator is an icon of Roman culture, of sports economy, and of brave and brutal combat. This title in the Conquerors and Combatants series reveals the importance of gladiators as cultural heroes, enslaved athletes who were vital to the economy, and as political actors whose victories and sacrifices both entertained and subdued the Roman population. Illustrations, photos, and artifacts complement details about the gladiators' lives, fighting styles, revolts, and political impacts. In Gladiators readers discover who gladiators were, how they shaped their society, and why they remain glorified icons of combat and culture.

Spartacus is the hit TV show which combines blood-soaked action, exotic sexuality, villainy and heroism. This original novel from the world of Spartacus: Blood and Sand tells a brand new story of blood, sex and politics set in the uncompromising, visceral world of the arena. The gladiator Spartacus, the new Champion of Capua, fights atthe graveside of a rich man who was brutally murdered by his own slaves. Seeing an opportunity, ambitious lanista Quintus Batiatus plots to seize the dead man's estate. In the arena blood and death are primetime entertainment. But not all battles are fought upon the sands...

[Hannibal: Enemy of Rome](#) Titan Books (US, CA)

The first of two epic novels which tell the story of one of the most charismatic heroes history has ever known - Spartacus, the gladiator slave who took on and nearly defeated the might of Rome, during the years 73-71 BC. Historically very little is known about Spartacus. We know that he came from Thrace, a land north of Greece, that he once fought in the Roman legions and that, during two fateful years, he led a slave army which nearly brought Rome to its knees. In Ben Kane's brilliant novel, we meet Spartacus as he returns to Thrace, ready to settle down after a decade away. But a new king has usurped the throne. Treacherous and violent, he immediately seizes Spartacus and sells him to a Roman slave trader looking for new gladiators. The odyssey has begun which will see Spartacus become one of the greatest legends of history, the hero of revolutionaries from Karl Marx to Che Guevara, immortalised on screen, and now brought to life in Ben Kane's great bestseller - a novel which takes the story to its halfway point and is continued in Spartacus: Rebellion. Ben Kane was born in Kenya and raised there and in Ireland. He studied veterinary medicine and University College, Dublin, but after that he travelled the world extensively, indulging in his passion for ancient history. He lives in North Somerset with his wife and two young children.

[The Ultimate Gladiator](#) BRILL

In 48 B.C., having survived a disastrous campaign in Pythia as part of the Forgotten Legion and spent years fighting their way back to Rome, Romulus and Tarquinius have finally made it as far as Alexandria. On arrival, though, they find themselves in the midst of the Roman Civil War, are press-ganged into Caesar's thinning legions and greatly outnumbered and fighting for their lives against the Egyptian army. Meanwhile in Rome, Romulus' twin sister Fabiola, having caught only a glimpse of her long-missing twin before being forced to flee Egypt for Rome, lives in fear for her life, loved by Brutus, but wooed by Marcus Antonius, his deadly enemy. From the battlefields of Asia Minor and North Africa, to the lawless streets of Rome and the gladiator arena, they all face death and danger daily, until 44 B.C. when their individual roads all lead them to Rome where the future of the republic lies unexpectedly in their hands.

Returning to his village after escaping the Roman army, Spartacus is betrayed by his jealous king and forced into life as a gladiator before executing a daring overthrow and assuming leadership over an army of escaped slaves.

Ancient Rome Macmillan

****Winner of the Pulitzer Prize in History**** “Extraordinary...a great American biography” (The New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818–1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this “cinematic and deeply engaging” (The New York Times Book Review) biography, David Blight has drawn on new information held in a private collection that few other historian have consulted, as well as recently discovered issues of Douglass’s newspapers. “Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass’s” (The Wall Street Journal), Blight’s biography tells the fascinating story of Douglass’s two marriages and his complex extended family. “David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century” (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.
