From the New York Times bestselling author of *House of Eve*—a 2023 Reese's Book Club Pick! *A Best Book of the Year by NPR and Christian Science Monitor* Called "wholly engrossing" by New York Times bestselling author Kathleen Grissom, this "fully immersive" (Lisa Wingate, #1 bestselling author of *Before We Were Yours*) story follows an enslaved woman forced to barter love and freedom while living in the most infamous slave jail in Virginia. Born on a plantation in Charles City, Virginia, Pheby Delores Brown has lived a relatively sheltered life. Shielded by her mother's position as the estate's medicine woman and cherished by the Master's sister, she is set apart from the others on the plantation, belonging to neither world. She'd been promised freedom on her eighteenth birthday, but instead of the idyllic life she imagined with her true love, Essex Henry, Pheby is forced to leave the only home she has ever known. She unexpectedly finds herself thrust into the bowels of slavery at the infamous Devil's Half Acre, a jail in Richmond, Virginia, where the enslaved are broken, tortured, and sold every day. There, Pheby is exposed not just to her Jailer's cruelty but also to his contradictions. To survive, Pheby will have to outwit him, and she soon faces the ultimate sacrifice.

What is the secret to being a captivating and credible speaker? Never be boring! If you are boring, people will not listen. The central message and focus of *PowerSpeak* is the importance of engaging, stimulating, and maintaining an audience's attention. This book focuses on the elements of speaking effectively from a design and a delivery perspective. Dorothy Leeds isolates these essential elements to assure that any speaker can gain and keep the audience's attention. She focuses on the trouble spots of any presentation and the six major faults speakers make. This book also includes tips on the following: Breaking the fear barrier. Ten steps that guarantee a complete presentation. How to avoid weak, passive language and make humor your ally. Voice and speech exercises. How to handle the Q & A portion of a presentation. How to develop your own style and project positive body language. How to incorporate (or not incorporate) new technology into presentations.

Think it, Write it, Speak it, Do it, Repeat! presents a powerful collection of motivational quotes and reflections designed to inspire personal growth, cultivate a positive mindset, and empower readers to achieve their full potential. Musician Tommie Lee Brooks Jr. expresses gratitude to those who influenced and supported his life's journey. His theme of "intentionality" emphasizes the importance of thinking, writing, speaking, and doing with purpose. His core message recognizes the power of intentional actions in shaping our lives. His thought-provoking quotes offer a journey of self-discovery, resilience, and continuous life improvement. The quotes explore such themes as perseverance, resilience, creativity, leadership, and the transformative power of self-belief. The author draws from personal experiences and universal truths to demonstrate how these principles can be applied to overcome challenges, achieve goals, and build meaningful connections. It also highlights the importance of self-reflection. The book requests a powerful call to action, urging readers to apply the wisdom gained to their own lives. This is not just a collection of quotes, but a guide to living a life of intention, growth, and fulfillment.

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

Are angels real, or imaginary? Can they really save your life or intervene in your destiny? If they are real, can we talk to them like we would a good friend? Do they hear our thoughts and know our every deed? Do angels have opinions or judge us? *Archangels Speak*, answers these and many other questions. The best way to use angels in your life is to think of them as a means to bring you into alignment with your Higher Truth and Higher Self. When we get stuck in defensive points of view, operating primarily from the defended ego, we often get ourselves into ruts and patterns that make us miserable. With the angel's words, this book helps to "bump" us out of that ego mind and into something grander. It asks us to consider Love before hate and challenges us to think in new ways.

The Scarlet Letter Yearling

In this paradigm-shifting book, Nancy Guthrie gently invites readers to lean in along with her to hear Jesus speak understanding and insight into the lingering questions we all have about the hurts of life: What was God's involvement in this, and why did he let it happen? Why hasn't God answered my prayers for a miracle? Can I expect God to protect me? Does God even care? According to Nancy, this questioning is not a bad thing at all but instead an opportunity. It's a chance to hear with fresh ears the truth in the promises of the gospel we may have misapplied. It lets us retune our souls to the purposes of God we may have misunderstood.

Everything changes in a single moment for Dawn Edelstein. She’s on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on The Book of Two Ways—the first known map of the afterlife. As the story unfolds, Dawn’s two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she’s never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn’t turned out to be the person you are right now?

Teacher’s Pet John Wiley & Sons

Catholic women are some of the most maligned, most caricatured, and most intriguing people in American society. America is flirting with the idea that being a Catholic female means saying “yes” to the faith as a private source of comfort, but “no” to living out its more countercultural moral and social teachings. Catholic women are facing unprecedented questions about sex, money, marriage, work, children and the church itself -- questions with innumerable personal and societal repercussions. Is it even possible that the teachings of a 2,000 year old religion are still relevant for today’s toughest issues? A quick tour of leading cultural indicators seems to say “no.” But this is far from the whole story. Many women, courageously facing questions their mothers and grandmothers would never have encountered, are finding intellectually and spiritually satisfying answers within the framework of their Catholic faith. Nine such Catholic women -- varying widely in age, occupation and experience -- share personal stories of how they struggled toward the realization that the demands of their faith actually set them free. Their stories -- full of honesty, but ultimately hope -- shed new light and new clarity on women’s continued attraction to the Catholic faith. Topics include: Navigating dating and sex expectations Feminism, freedom and contraception Children versus a “better me” Being Catholic in light of the sexual abuse scandal Faith, psychology and same-sex attraction
