American Speakout, Intermediate, Student
Book with DVD-ROM and MP3 Audio CD
Longman
American Speakout is a new, comprehensive six-level General American English Course for adults. The course integrates authentic

video from popular BBC programs and real life situations in every unit and builds the skills and knowledge learners need to express themselves confidently in a real English-speaking environment. Adapted from the success Speakout 2nd Edition and aligned with the Global Scale of English. American Speakout features tips on differences between American English and British English vocabulary, usage, and idioms as well as pointers on global English. While new audio focuses on students' acquisition of American English, a range of international accents in supporting material hones students' listening skills and readiness to communicate in our increasingly global world.
