A long time ago, Joel Wentworth told me he'd love me for infinity . . . and I can't give up hope that it might have been true. How long does it take to get over your first love? Eight years should be long enough. My mind knows that, but there's no convincing my heart. Guys like Joel weren't supposed to fall for girls like me. He had his pick of women at University, but somehow the laws of nature were defied and we fell crazy in love. After graduation, Joel left to pursue his career in New York. He

wanted me to go with him but my life was in London. We broke up and my heart split in two. I haven't seen or spoken to him since he left. If only I'd known that I'd love him this long, this painfully, this desperately. I might have said yes all those years ago. He might have been mine all this time in between. Now, he's moving back to London and I need to get over him before he gets over here. But how do you forget someone who gave you so much to remember? Hopeful is a stand alone, sexy contemporary romance. What others are saying

"Bel Canto is its own universe. A marvel of a book."

—Washington Post Book World New York Times bestselling author Ann Patchett's spellbinding novel about love and opera, and the unifying ways people learn to communicate across cultural barriers in times of crisis

Somewhere in South America, at the home of the country's vice president, a lavish birthday party is being held in honor of the powerful businessman Mr. Hosokawa. Roxanne Coss, opera's most revered soprano, has mesmerized the international guests with her singing. It is a perfect evening—until a band of gun-wielding terrorists takes the entire party hostage. But what begins as a panicked, life-threatening scenario

slowly evolves into something quite different, a moment of great beauty, as terrorists and hostages forge unexpected bonds and people from different continents become compatriots, intimate friends, and lovers. Patchett's lyrical prose and lucid imagination make Bel Canto a captivating story of strength and frailty, love and imprisonment, and an inspiring tale of transcendent romance.
