How to Teach English Overseas Pearson ELT

face2face Second edition is the flexible, easy-to-teach, 6-level course (A1 to C1) for busy teachers who want to get their adult and young adult learners to communicate with confidence. face2face Second edition is informed by Cambridge English Corpus and its vocabulary syllabus has been mapped to the English Vocabulary Profile, meaning students learn the language they really need at each CEFR level. The course improves students' listening skills by drawing their attention to the elements of spoken English that are difficult to understand. The free DVD-ROM in the Upper Intermediate Student's Book includes consolidation activities and electronic portfolio for learners to track their progress with customisable tests and grammar and vocabulary reference sections.

'Speakout' is a 6-level general English course for adults, bridging the gap between the classroom and the real world helping students express themselves in English.

Speakout Pearson Longman

Ever since I can remember I have had an insatiable desire to travel. I have always wanted to see the world, experience new things, and have a pretty good time while doing it. Unfortunately, there was a rather large barrier to my dreams of travel. Namely the fact that travel is incredibly expensive. Which is when I started to explore my options and stumbled upon the concept of teaching English abroad. After looking into it further, I realized that it was exactly what I was looking for. An opportunity to travel, immerse myself in an entirely different culture, and make money while doing it. It truly sounded too good to be true. But I quickly found out it wasn't. Since that time I have worked teaching English abroad in over a dozen different countries. I have had the pleasure of seeing some incredibly beautiful places and meeting some truly amazing people. The work is rewarding, and the lifestyle is perfect. But the process required to get

to this point took quite a bit of trial and error, in which it certainly wasn't as easy as it could be. Which is actually what prompted me to write this book. By learning from my experiences, you can find out everything you need to know to teach English overseas. In the following book you will find: What you need to do to become an English teacher abroad What qualifications provide you with the best job opportunities Where the best places to start your teaching career are And how to make sure you get the chance to work and travel overseas While I can give you the required information on HOW you can become an English teacher abroad, you are the one who truly needs to make this change. While the information within this book has the capacity to change your life, you are the one who needs to take the jump. And it is seriously a single click away. With this in mind, I should also note that this book comes with a money back guarantee - if you are not happy with the results you observe after implementing the ketogenic diet into your life, then you get your money back, no questions asked.

Speakout Upper Intermediate Longman

"Objective Advanced is an updated and revised edition of the best-selling Cambridge English: Advanced (CAE) course. It is official preparation material for the revised 2015 exam, and combines thorough and systematic exam preparation with language work designed to improve students' overall English level. The Teacher's Book offers complete support with time-saving ideas, including a Teacher's Resources CD-ROM with regular progress tests. The Workbook provides further practice of language and vocabulary introduced in the Student's Book, as well as including an Audio CD with listening exam practice. The CD-ROM provides more language and exam practice in the form of interactive activities. Complete Cambridge English: Advanced practice tests are available for teachers online."--Publisher description.
