An essential resource for ceramicists, studios or schools looking for inspiration to reclaim, reuse and recycle in their studio or work. Producing work that is not only beautifully designed and produced, but is also environmentally friendly and socially responsible is now more important than ever. In *Sustainable Ceramics*, pioneer Robert Harrison draws on more than four decades of making, and a wealth of experience shared by other artists to present you with a range of practical possibilities. This book presents you all the factors to consider when going 'green', from fuels and alternative firing technology to energy-saving methods, sustainable ways to collect and use clay itself, and

ways to deal with or recycle your waste materials and save water. He suggests simple and achievable methods by which to reduce the carbon footprint of your ceramic art, and draws on interviews and examples by practitioners who reclaim, reuse and recycle in their studio or work.

“ Inspired and inspiring . . .
By telling his remarkable story, Bill Strickland shows us

that an impossible notion is just an idea nobody had the guts to try. ” —Daniel H. Pink, New York Times bestselling author of A Whole New Mind “ Make the Impossible Possible will show you how you can achieve even your wildest dreams. ” —Jeff Skoll, first president of eBay and founder and chairman of the Skoll Foundation Bill Strickland has spent over thirty years transforming the lives of thousands of people through Manchester Bidwell, the jobs training center and community arts program he founded in Pittsburgh. Working with corporations, community leaders, and schools, he and his staff strive to give disadvantaged kids and adults the opportunities and tools they need to envision and build a better, brighter future. In Make the

Impossible Possible, he shows how each of us, by adopting the attitudes and beliefs he has lived by every day, can reach our fullest potential and achieve the impossible in our lives and careers—and perhaps change the world a little in the process. Through lessons from Strickland 's own life experiences and those of countless others who have overcome challenging circumstances and turned their lives around, Make the Impossible Possible teaches us how to build on our passions and strengths, dream bigger and set the bar higher, achieve meaningful success, and inspire the lives of others.
