An exceptionally illustrated
fiction for millions of
Blizzard fans, *Diablo III:
Book of Cain* is the source
book for Blizzard
Entertainment's *Diablo*
franchise and forthcoming
Diablo III game. *Book of
Cain* is the must-have

illustrated history of the Diablo universe as told by the games' core narrator Deckard Cain. In Blizzard Entertainment's Diablo® and Diablo II, the recurring character of Deckard Cain delivered quests, accompanied the brave adventurer, and, as the last of the Horadrim, provided a link to the greater history of the world of Sanctuary. Ever mysterious during these appearances, Cain hinted at a larger story, providing snippets of it in his notebook. Diablo III: Book of Cain is

Cain's formal record of this greater tale—a dissertation on the lore of the Diablo universe, told by one who has witnessed and participated in some of the epic events that make up the eternal conflict between the High Heavens and the Burning Hells. Designed as an “in-world” artifact from the Diablo universe, Diablo III: Book of Cain includes Cain's revealing meditations, as well as dozens of sketches and color artworks depicting the angelic and demonic beings who wage constant war with

one another.

"Lucy Snyder has seen some \$@#&, brother. She's been

through the trenches; she knows the way the world comes down. You can feel it in the work. This lady is not only courageous, she's fearless. We need more like her" - author Tom Piccirilli, from his introduction to Snyder's Chimeric Machines "Lucy Snyder is straight up gangsta." - Maurice Broaddus, author of The Knights of Breton Court "There is no other writer working today quite like Lucy A. Snyder." - Hellnotes Join award-winning author Lucy A. Snyder for this guide to working, surviving and

thriving as a writer in a world that often doesn't properly value creative professionals. Snyder - who's authored ten books and over 200 stories, poems, and articles - shares her no-nonsense advice on: * Finding time to write * Surviving as a short fiction writer * Plotting * Setting and world building * Characterization * Binge writing * Collaborating on fiction * Conducting sharp interviews * Finding or creating a writers' group * Self-publishing * Finding and working with an agent * Using

Kickstarter to fund your project * Networking at conventions * Getting your books into libraries * Promoting your book You'll also get her interviews with luminary authors such as Clive Barker, Chuck Palahniuk and Ursula K. Le Guin along with valuable information on the various subgenres of fantasy and horror. [Orchid Carousals](#) Soul Stone Mage Mechal Sobel's fascinating study of the religious history of slaves and free blacks in antebellum America is

presented here in a compact volume without the appendixes. Sobel's central thesis is that Africans brought their world views into North America where, eventually, under the tremendous pressures and hardships of chattel slavery, they created a coherent faith that preserved and revitalized crucial African understandings and usages regarding spirit and soul-travels, while melding them with Christian understandings of Jesus and individual salvation.

Installing Linux on a Dead Badger

Hell hath no fury like a goddess scorned. When Jessie Shimmer traveled to a nightmare underworld to save her lover, Cooper Marron, she gained magical powers . . . which soon seemed more like curses. Her beloved familiar, the ferret Pal, became a monster. Her enemies multiplied like demons. Worst of all, she hasn't found a moment of peace to be with the man she adores. Now a switchblade-wielding demigoddess commanding a private hell stocked with suffering innocents is after her. The blademistress' vengeance sends Jessie and Pal on a dark journey through strange, perilous realms. Their quest for salvation will push her newfound

abilities—and her relationship with Cooper—to the breaking point . . . and beyond.

House of Enchanted: The Revelations of Oriceran
Random House Worlds

The epic story of Thomas Cale—introduced so memorably in *The Left Hand of God*—continues as the Redeemers use his prodigious gifts to further their sacred goal: the extinction of humankind and the end of the world... To the warrior-monks known as the Redeemers, “the last four things” represent the

culmination of a faithful life. Death. Judgment. Heaven. Hell. The last four things represent eternal bliss—or endless destruction, permanent chaos, and infinite pain. Perhaps nowhere are the competing ideas of heaven and hell exhibited more clearly than in the dark and tormented soul of Thomas Cale. Betrayed by the girl he loves but still marked by a child's innocence, possessed of a remarkable aptitude for violence but capable of extreme tenderness, Cale will lead the Redeemers into a

battle for nothing less than the fate of the human race. And though his broken heart foretells the bloody trail he will leave in pursuit of a personal peace he can never achieve, a glimmer of hope remains—the question even Cale can't answer: When it comes time to decide the fate of the world, to ensure the extermination of humankind or spare it, what will he choose? To express God's will on the edge of his sword, or to forgive his fellow man—and himself?

The Kingdom of Virgo has lived in peace for thousands of years...until now. Azure's world flips when she discovers her father is the emperor of Terran. Wait...was the emperor. Now the two are prisoners in the Land of Terran. Azure must escape and locate her mother's soul stone. The virus that stole the queen's magic is going after her very life, and the soul stone is her only hope. Azure must save her mother. Create alliances with savage beasts. And win her people's favor to keep the crown. However, Princess Azure now has a taste for adventure. If being queen means she must sit on a throne, then to hell with that. Welcome to The Revelations of Oriceran. A magical world tied to Earth, and nothing like it. *NOTE:

There's cursing in this book because these witches and wizards are just rude like that. If cursing isn't for you, then this might not be for you. The Last Four Things Penguin There's something compelling about the shine of clicking brass clockwork and hiss of steam-driven automatons. But there was something missing. Exposed Nerves continues the explorations into dark poetry by Stoker Award winner and Shirley Jackson Award nominee Lucy A. Snyder, pairing the author's sly wordplay and imagery with grim introspection. By turns challenging, wryly amusing and gut-wrenching, Snyder's work plumbs bittersweet catharsis and maps a survivor's path through dangerous worlds, both the real and the horrifically imagined. "Exposed Nerves vibrates with energy and rewards with clarity of vision." -Mary Turzillo, Stoker-nominated and Elgin Award-winning poet Praise for Lucy A. Snyder's Stoker-

winning poetry collection *Chimeric Machines*: "(This) may be the best collection of poetry I've read in years... There is not one poem in *Chimeric Machines* that doesn't fit in place like a delicately carved piece of a complex and consuming puzzle. ...There is no other writer working today quite like Lucy A. Snyder." -Hellnotes "What Snyder accomplishes in less than eighty pages is an emotional scoring that few can approach. ...This is (real life), given breath and teeth, stood out in front of the world in all its beautiful grime. Her work is emotional, powerful, and will shake a person's foundations ... I applaud this collection." -Scott A. Johnson, author of *Shy Grove* "Snyder is a massively talented writer-the sort

who knows how to make you take a gulp when you hit the ending of a story or poem—and this poetry collection made me gulp with awe on virtually every page." -Michael A. Arnzen, author of Proverbs for Monsters "Her poetry is powerful, honest, playful ... this is not the first time she has walked dangerous, uncertain roads with her work and I hope it will not be the last." -Horror News

BURNING DOWN THE
HOUSE For Jessie Shimmer,
everything changed when she
went to hell and back to save
her lover, Cooper Marron.
After tangling with

supernatural forces and killing an untouchable spirit lord, Jessie finds herself gifted—or perhaps cursed—with dark powers. And when she and Cooper make love, her pleasure throes light the whole house on fire. What is a sorceress to do? Jessie is about to find out. The circumstances of her birth, the mystery of a father she never knew, and the help of a cuddly ferret turned fearsome monster have made Jessie not just an outlaw from mundane society, but an accidental revolutionary in the magic realm. Encountering

portals stitched into thin air and a fiercely sexy soul harvester, Jessie rushes headlong among enemies, horrors, wonders, and lovers into a place of self-discovery—or destruction.

The Kingdom of Virgo has lived in peace for thousands of years...until now. The humans from Terran have always been real assholes to the witches of Virgo. Now a silent war is brewing, and the timing couldn't be worse. Princess Azure will soon be crowned queen of the Kingdom of Virgo.

In the Dark Forest a powerful potion-maker has been murdered. Charmsgood was the only wizard who could stop a deadly virus plaguing Virgo. He also knew about the devastation the people from Terran had done to the forest. Azure must protect her people. Mend the Dark Forest. Create alliances with savage beasts. No biggie, right? But on coronation day everything changes. Princess Azure isn't who she thought she was and that's a big freaking problem. Welcome to The Revelations of Oriceran. A magical world tied to Earth, and nothing like it.

Shotgun Sorceress Anchor
Lucy Snyder ' s stories are the sort that carry you away to unusual places, usually dark ones, and this collection is a perfect example. As the follow-up to the Bram Stoker Award winning collection *Soft Apocalypses*, it contains plenty of darkly imaginative tales. Many of these stories, including the title piece, are heavily influenced by the work of H.P. Lovecraft and *The King in Yellow* mythos. They whisper madly among each other creating weird echoes. Like the black stars of

theoretical astronomy they are dense entities born from polarization so strong that instead of collapsing into nothingness, a black hole, they instead form dark constellations burning dimly with spectral light.
