Desperate not to lose her shadows, she turns to Dar who proposes a deal: Dar will change the noble's mind, if Emmeline will help her become flesh as she once was. Emmeline agrees but the next morning the man in charge is in a coma and all that the witness saw was a long shadow with no one nearby to cast it. Scared to face punishment, Emmeline and Dar run away. With the noble's guards on her trail, Emmeline's only hope of clearing her name is to escape capture and perform the ritual that will set Dar free. Last Things Abrams

From the Edgar Award-winning author of *Silent Joe*, a new hard-hitting thriller of murder, vengeance, and secret passions that will keep readers spellbound. Homicide cop Tom McMichael is on the rotation when an 84-year-old city patriarch named Pete Braga is found bludgeoned to death. Not good news, especially since the Irish McMichaels and the Portuguese Bragas share a violent family history dating back three generations. Years ago Braga shot McMichael's grandfather in a dispute over a paycheck; soon thereafter Braga's son was severely beaten behind a waterfront bar--legend has it that it was an act of revenge by McMichael's father.

McMichael must put aside the old family blood feud, and find the truth about Pete Braga's death. Braga's beautiful nurse is a suspect--she says she stepped out for some firewood, but key evidence suggests otherwise. The investigation soon expands to include Braga's business, his family, the Catholic diocese, a multi-million dollar Indian casino, a prostitute, a cop, and, of course, the McMichael family. *Cold Pursuit* is the novel that T. Jefferson Parker fans have been waiting for.

"Soul-stretching, breathtaking...A game-changing gift to readers." —Booklist

(starred review) From Chloé Cooper Jones—Pulitzer Prize finalist, philosophy professor, Whiting Creative Nonfiction Grant recipient—a groundbreaking memoir about disability, motherhood, and a journey to far-flung places in search of a new way of seeing and being seen. “I am in a bar in Brooklyn, listening to two men, my friends, discuss whether my life is worth living.” So begins Chloé Cooper Jones’s bold, revealing account of moving through the world in a body that looks different than most. Jones learned early on to factor “pain calculations” into every plan, every situation. Born with a rare congenital condition called sacral agenesis which affects both her stature and gait, her pain is physical. But there is also the pain of being judged and pitied for her appearance, of being dismissed as “less than.” The way she has been seen—or not seen—has

informed her lens on the world her entire life. She resisted this reality by excelling academically and retreating to “the neutral room in her mind” until it passed. But after unexpectedly becoming a mother (in violation of unspoken social taboos about the disabled body), something in her shifts, and Jones sets off on a journey across the globe, reclaiming the spaces she’d been denied, and denied herself. From the bars and domestic spaces of her life in Brooklyn to sculpture gardens in Rome; from film festivals in Utah to a Beyoncé concert in Milan; from a tennis tournament in California to the Killing Fields of Phnom Penh, Jones weaves memory, observation, experience, and aesthetic philosophy to probe the myths underlying our standards of beauty and desirability, and interrogates her own complicity in upholding those myths. With its emotional depth, its

prodigious, spiky intelligence, its passion and humor, *Easy Beauty* is the rare memoir that has the power to make you see the world, and your place in it, with new eyes.
