Geralt is a witcher, a man whose magic powers, enhanced by long training and a mysterious elixir, have made him a brilliant fighter and a merciless assassin. Yet he is no ordinary murderer: his targets are the multifarious monsters and vile fiends that ravage the land and attack the innocent. He roams the country seeking assignments, but gradually comes to realise that while some of his quarry are unremittingly vile, vicious grotesques, others are the victims of sin, evil or simple naivety. One reviewer said: 'This book

is a sheer delight. It is beautifully written, full of vitality and endlessly inventive: its format, with half a dozen episodes and intervening rest periods for both the hero and the reader, allows for a huge range of characters, scenarios and action. It's thought-provoking without being in the least dogmatic, witty without descending to farce and packed with sword fights without being derivative. The dialogue sparkles; characters morph almost imperceptibly from semi-cliche to completely original; nothing is as it first seems. Sapkowski succeeds in seamlessly welding familiar ideas, unique settings and delicious twists of originality: his Beauty wants to rip the throat out of a sensitive Beast; his Snow White seeks vengeance on all and sundry, his elves are embittered and vindictive. It's easily one of the best things I've read in ages.'

A comprehensive, full-color compendium of the key characters in all eight of the Harry Potter films, filled with never-before-seen photographs and illustrations, covering the costumes, makeup, weaponry, and behind-the-scenes story that brought each personality memorably to life on the big screen. Harry Potter: The Character Vault offers fans a deeper look at the creative development of the characters introduced in the books and brought to life in the theatrical series. Jody Revenson brings you closer to Harry, Ron, Hermione, and the students and faculty at Hogwarts, the bureaucrats at the Ministry of Magic, the Triwizard Tournament competitors, the wizarding world families, and the dark forces against them. Each profile in the book includes design sketches and unit photography showcasing the costumes of each character, along with an image of his or her wand, and other iconic props specific to the characters—brooms, Harry's invisibility cloak, Mad-Eye Moody's eye and prosthetic leg, and more. Discover how Quidditch gear and Hogwarts' robes subtly changed as the characters grew up, discover the fashion and artistry behind the Weasley style, the Yule Ball dresses and robes, Slug Club party wear, and Death Eater masks and costumes. Interweaving interviews with the special effects experts, costume designers, makeup artists and the cast, Jody Revenson shows fans how the magic happens, revealing the unique filming techniques used to change particular characters' sizes, such as a giant Hagrid and Madame Maxime, as well as special makeup processes that created the look of Harry's Stinging Hex and Peter Pettigrew's rat-like visage. Featured throughout are intriguing profiles of the special makeup effects artists who share the most memorable effects they've used to transform ordinary actors

into their extraordinary fictional counterparts. Harry Potter: The Character Vault is your exclusive all-access pass into the creative process of the largest film franchise of all time, and comes complete with two exclusive removable features.

This successful text puts personality back into the personality course, integrating the classic insights of the personality theorists with modern research in a manner that will fascinate and captivate students. Organized around eight basic aspects of personality—psychoanalytic, ego, biological, behaviorist, cognitive, trait, humanistic, and situational/interactionist—the text both explains the classic theories and also explores how the information applies to the student reader.

The text presents a balanced, critical, yet optimistic approach. Personality encourages critical thinking about human nature. While holding the highest scientific standards, the text uses unique and provocative pedagogical devices (see below) to capture students' interest and bring the field of personality to life. It has been hailed as the best-written and most relevant personality textbook in the field.

For the Marcelli sisters of California wine country, the season is ripe for romance! A party planner extraordinaire, Katie Marcelli loves her big, boisterous family -- even when their chronic matchmaking drives her crazy! In the Marcelli household, fine wine and good food are as celebrated as true love, so when her eighteen-year-old sister announces her engagement, Katie promises her the perfect wedding. There's only one hitch: the father of the groom, Zach Stryker, who is adamantly opposed to his son marrying so young. Now, despite her instant attraction to the handsome, arrogant attorney, Katie must approach with caution: Zach, who hired Katie for a major fund-raiser, holds the fate of her business in his hands -- and how can she trust a man who is willing to break her sister's heart? It will take a passionate battle of wills to determine if wedding bells will ring for a Marcelli bride, and to unlock the deepest desires -- for family, love, and home -- inside a strong-willed man's heart. Meet the Marcelli family in a wonderful series that's warm, witty, and stunningly sensual. A cop from Wisconsin pursues a killer through the terrifying slums of Nairobi and the memories of genocide IN MADISON, WISCONSIN, it ' s a big deal when African peace activist Joshua Hakizimana—who saved hundreds of people from the Rwandan genocide—accepts a position at the university to teach about “ genocide and testimony. ” Then a young woman is found murdered on his doorstep. Local police Detective Ishmael—an African-American in an “ extremely white ” town—suspects the crime is racially motivated; the Ku Klux Klan still holds rallies there, after all. But then he gets a mysterious phone call: “ If you want the truth, you must go to its source. The truth is in the past. Come to Nairobi. ” It ' s the beginning of a journey that will take him to a place still vibrating from the genocide that happened around its borders, where violence is a part of everyday life, where big-oil money rules and where the local cops shoot first and ask questions later—a place, in short, where knowing the truth about history can get you killed.
