Spirit Walk ABC-CLIO

NEW YORK TIMES BESTSELLER • A compassionate, intelligent, and wry series of Christian daily reflections on learning to live with imperfection in a culture of self-help that promotes endless progress, from the author of Everything Happens for a Reason and the executive producer of the Everything Happens podcast “ Brilliant, hilarious, absurd, honest, hopeful, true-hearted, and good to the core. ” —Sarah Bessey, editor of A Rhythm of Prayer and author of Jesus Feminist In Kate Bowler ’ s bestselling memoir Everything Happens for a Reason, readers witnessed the ways she, as a divinity-school professor and young mother, reckoned with a Stage IV cancer diagnosis; in her follow-up memoir, No Cure for Being Human, she unflinchingly and winsomely unpacked the ways that life becomes both hard and beautiful when

we abandon certainty and the illusion of control in our lives. Now, in their first-ever devotional book, Kate Bowler and co-author Jessica Richie offer 40ish short spiritual reflections on how we can make sense of life not as a pursuit of endless progress but as a chronic condition. This book is a companion for when you want to stop feeling guilty that you 're not living your best life now. Written gently and with humor, *Good Enough* is permission for all those who need to hear that there are some things you can fix—and some things you can 't. And it 's okay that life isn 't always better. In these gorgeously written reflections, Bowler and Richie offer fresh imagination for how truth, beauty, and meaning can be discovered amid the chaos of life. Their words celebrate kindness, honesty, and interdependence in a culture that rewards ruthless individualism and blind optimism. Ultimately, in these pages we can rest in the encouragement to strive for what is possible today—while recognizing that though we are finite, the life in front of us can be beautiful.

In Spite of the Odds

The Yanomamo of the Amazon -- endangered children of nature or indigenous warmongers on the verge of destroying themselves? Now for the first time, a powerful Yanomamo shaman speaks for his people. Jungleman provides shocking, never-before-answered accounts of life-or-death battles among his people -- and perhaps even more disturbing among the spirits who fight for their souls. Brutally riveting, the story of Jungleman is an extraordinary and powerful document.

This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form, style, and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice. The Kerygmatic Spirit argues that Spirit-empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship. Hence, rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name, these sermons are presented as the participating in the form of gospel

proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father. Whether read or heard (there are links to video and audio archives throughout), these homilies are illustrative of exegetical and expositional practice that connects the biblical text with Spirit-filled faithfulness in the twenty-first-century ecumenical church and world at large.
